Kordus/Kupsik motion to recommend approval. DPW Director Winkler gave details on the plans. Alderman Kupsik asked how the project would be coordinated to not disrupt traffic in and around the park on the weekends. Mr. Winkler stated it would need to be started on a Monday to allow for the concrete to cure, but there would definitely be some disruption. Alderman Kordus noted a discrepancy on the agenda of \$15 per square foot versus \$20 for the paver bricks per square foot listed in the contract. Mr. Winkler indicated that Humphrey's Contracting stated if we had the volume of up to \$5,000, he would drop his price to \$15 per square foot. Alderman Lyon confirmed with Winkler that this was approving \$15 per square foot and not \$20. There was discussion on how this will be reflected on paper if the City would not spend the \$5,000. Mr. Winkler stated that the amount invoiced will not exceed \$5,000. Unanimously carried.

Discussion/Action on Riviera Beach wood boardwalk decking replacement with Humphrey's Contracting for \$9,870 funded from the Lakefront fund *(recommended at the May 16, 2014 Public Works Committee meeting)*

Discussion/Recommendation on awarding of parking structure design to Arnold & O'Sheridan

Kehoe/Kordus motion to recommend approval. Administrator Jordan discussed that an interview team of 6 people interviewed 4 of the 7 companies that sent proposals to the City. Their recommendation went to the joint committees of the Parking Commission and the Public Works Committee who also saw the presentation from Arnold and O'Sheridan. Mr. Jordan stated that Arnold and O'Sheridan stated they have built the most parking structures than any other firm in Wisconsin. Alderman Kupsik questioned who would be responsible for the soil testing onsite. DPW Winkler stated that the City would engage in the soil testing which would be between \$2,500 and \$3,000 depending upon the lowest proposal. Mr. Kupsik asked if this would be above and beyond the \$55,000 that the City would be paying for. Mr. Winkler confirmed. Mr. Wall questioned how much additional would the City be spending. Mr. Jordan stated the total would be \$60,000. There was discussion on the workshops and the services Arnold and O'Sheridan would be providing. Alderman Kordus stated Arnold & O'Sheridan time and material are not to exceed the \$55,000 and that this amount will be provided to their final consulting costs for the total project. Unanimously carried.

RESOLUTIONS

Discussion/Recommendation on Resolution 14-R31 regarding the sale of General Obligation Promissory Notes

Kordus/Kupsik motion to recommend approval. Administrator Jordan stated that the City received two bids back that had minimal difference in pricing. Mr. Jordan felt that Springsted was a good company to use as they had did a good job on the last bonding for the City and also were the lower bid. Joe Murray of Springsted was present to answer any questions. No questions were asked. Unanimously carried.

Discussion/Recommendation on Resolution 14-R32 regarding pay increase for all returning Police Department Reserve Officer positions

Kehoe/Kupsik motion to recommend approval. Alderman Lyon stated this was to make the Police Department more competitive to keep the same reserve officers versus training new officers each year. Alderman Wall asked if raises had been given in the past if officers had returned for a second season. Wall/Kehoe motion to suspend the rules to allow Police Chief Rasmussen to address the committee. Unanimously carried.

Police Chief Rasmussen stated last year was the first year the raise was given and he wanted to continue with the raises. Last year only 2 reserve officers returned, whereas this year, 6 returned. Prior to that the reserve officers were being paid at the same rate no matter how many years of service they put in with the Police Department. Mr. Wall asked if this had been budgeted. Chief Rasmussen stated no. Alderman Kupsik requested that if this is continued from year to year, to have Chief Rasmussen put this increase in the budget. Chief Rasmussen confirmed that he planned to put forth a tier step for returning officers for the next budget. Unanimously carried.

Presentation of Accounts

Kupsik/Wall motion to recommend approval of Prepaid Bills in the amount of \$3,021.77. Unanimously carried.

Discussion/Recommendation regarding preservation of fire ordinances under Act 270 – City Attorney Draper.

Municipalities have the option to request that their fire codes be grandfathered or preserved with those particular matters. The Fire Department has requested to pursue

certain ordinances relating to burning, buildings requiring sprinkling installation, accessory buildings and special principal building areas, high hazard occupancies, additions or other change of use and certain fire alarm ordinances that we have in our City. Mr. Draper asked the council if they have any recommendations on whether or not to conform to the State code or to keep our ordinances the way they are. RE: SHARED REPAIR OF WILLOW ROAD WITH TOWN OF LINN

Background: The City of Lake Geneva has been discussing working with the Town of Linn about an exchange of Willow Road in exchange for Wilmot Blvd. In addition to that discussion, the Town has asked the City would split the cost of interim repairs for Willow Road in the amount of \$4,876. The Mayor spoke with the Town Chairman, and Mr. Weiss stated that the Town has approved the shared repair on Willow Road for the approximate cost of \$9,700 and are waiting for the Common Council to approve of the repair before proceeding. Assuming the Council approves, Linn would have the work done and the City would reimburse Linn the City's half by October of this year.

Recommendation: Approve the shared repair of Willow Road for the approximate amount of \$9,700 (\$4,850 – City's share.).

Public Works Projects Update

Below please find an update on Public Works projects:

- ✓ Broad Street Lighting- Wil-surge Electric of Butler, WI has removed the west side street lights south of North Street, bored in the new conduit, and poured street light bases. They are working on the area around and north of the Kwik Trip site. The control cabinet bases have been poured and the south cabinet set. Construction is expected to run through June.
- ✓ Disc Golf Course-Signage has been installed and Street staff has graded and seeded around the tee boxes. Work remaining includes bridge repairs, and tree removals/pruning. The Boy Scouts are not able to do their project before August. The DPW has arranged with the power company for two wood street light poles to reconstruct the north pedestrian bridge with either staff or a combination of volunteers and staff. The other bridges are passable/usable.
- ✓ Cook Street & Main Street Traffic Signal-Project is complete and in operation.
- ✓ Riviera Sidewalk Replacement- Mohr Construction is finished with the brick work in front of the building. They will be replacing one square on the east side that has a small puddle either now or in September after Labor Day.
- ✓ Replacement Truck #20-The truck has received from Ewald Ford.

Agenda Item No. 1- Continuation of Willow Road/Wilmot Blvd Maintenance Exchange Discussion with the Town of Linn including temporary road repairs.

The DPW has been in contact with Town officials and they are willing to accept Willow Road in exchange for Wilmot as approved by the PWC. They will pay for work to Willow and we will pay for work to Wilmot. The City Attorney is drafting a short agreement for review. It will be available at the meeting. The Town has also asked if the City will split the cost of interim road repairs for Willow Road in our amount of \$4,876. They will take the lead and coordinate repairs with the contractor. Funding for repairs could be from the recent borrowing for Street Maintenance or contingency fund. There isn't sufficient funding left in the Street Department operations budget for this type of repair.

It is recommended to approve the draft agreement for the road exchange and send it to the Town of Linn for consideration, and cost-share in an amount not to exceed \$4,876.00 to perform the interim repairs to Willow Road.

Agenda Item No. 2- Four Seasons-Wood Burning Permit Application.

The Street Department has occasionally burned brush from the citywide collection program at our compost site at Four Seasons Nature Preserve. They have done so with a burning permit from the Fire Department. The Street Department also brought leaves and brush to Compost Management in Delavan for their processing, but they also charged us to accept the material, consuming the budget. The composting budget has a number to tub grind, but to save money, in the past we often burned the brush as a cost savings option. The DNR tells us that in order for us to burn the wood, that we must get the permit from them and pay an annual fee. The DPW began completing the necessary forms, but is seeking approval to make application. Having a permit with the DNR to burn requires the application with fees paid, approval of any neighbors located within a quarter mile of the burning activity, completion of a plan and drawings, etc. Before going to the trouble of completing all of the documentation, the DPW wishes to obtain the blessing of the PWC to make application. The cost to apply is \$550 plus \$165 plus an annual license fee of \$165. In the alternative, we can make the decision to not burn on the site in the future and use Compost Management or always rent a tub grinder to address brush brought to the site. If we opt not to burn in the future, we can apply for a one-time burning permit without going through

Agenda Item No. 1– Willow Road/Wilmot Boulevard Maintenance Exchange Discussion with the Town of Linn.

The PWC discussed the budgetary cost figures from Payne & Dolan and Stark Asphalt. The cost figure was much higher for Willow as it overall required more invasive maintenance. After discussion of the possibilities, the PWC's consensus was to support us taking on Wilmot Boulevard and the Town taking on our half of Willow Road. And each jurisdiction may decide to perform whatever maintenance it sees fit at its cost and own schedule. If this is agreeable with the Town, staff can work with them to establish parameters of a maintenance agreement. If the Town is not accepting of the approval, it needs to come back with a proposal of its own.

Agenda Item No. 2- Lakefront Promenade Miscellaneous Concrete Squares Replacement-Bid Quotations.

DPW Winkler share the proposals it has received to perform the repair work along the lake promenade as directed. The corrected bid pricing discussed was Humphreys price of \$4,950 plus another \$5,000 of brick resetting at \$15/sf against Mohr Construction's price of \$8,325 plus \$10 to \$15/sf for his work. Craftsman did

It was moved by Ald. Kupsik to approve the Humphrey's Contracting quote for the five replacement squares and seconded by Chair Kordus. The motion was withdrawn and Ald. Kupsik made a new motion to perform both the concrete work as bid at \$4,950, and brick repairs not to exceed \$5,000 at \$15/sf as funded by the lakefront fund. The motion was seconded by Ald. Taggert and passed 4-0.

(This item needs to go to Finance and Council agendas for consideration).

Agenda Item No. 3– Riviera Beach Wood Boardwalk Decking Replacement-Bid Quotations.

DPW Winkler explained, and it was concurred by Chair Kordus, that the wooden boardwalk deck at the Riviera Beach has weathered and splintered since its installation in 1996. He then provided bid quotations for constructing a new treated wood deck over the existing weathered deck. Humphreys bid was \$9,870 and the Mohr bid \$11,950.

It was moved by Ald. Kupsik to award the deck replacement to Humphreys Contracting in an amount of \$9,870 funded through the lakefront fund. The motion was seconded by Ald. Taggert and passed 4-0

(This item needs to go to Finance and Council agendas for consideration).

Motion to Adjourn:

Motion to adjourn by Ald. Taggert and seconded by Ald. Kupsik. The motion passed 4-0 and the meeting adjourned at 6:44 P.M.

WHEREAS, the Town and the City believe each municipalities resources will be best utilized by entering into this Maintenance Agreement, and

WHEREAS Section 66.0301, Stats, allows municipalities to contract with other municipalities for the receipt or furnishing of services required or authorized by law;

NOW, THEREFORE, the Town of Linn, Wisconsin, and the City of Lake Geneva, Wisconsin, hereby agree as follows:

1. Term. Except as otherwise provided herein, the term of this agreement shall be from July 1, 2014 to June 30, 2024.
2. Coverage. The Town of Linn hereby agrees to maintenance of Willow Road as shown on the Attached Exhibit A. The City of Lake Geneva shall be responsible for the maintenance of Wilmot Blvd. as shown on the Attached Exhibit A.
3. Maintenance. Maintenance shall include but not be limited to the following items: maintenance of roads, repairs to the road, snow removal from the road, snow plowing of the road, street cleaning, posting of weight restrictions, and maintenance of signs.
4. Access. Access by the Town of Linn by means of existing and future driveways or streets will not be restricted by the terms of this agreement.
5. Tree Maintenance. The City will continue all tree maintenance along the north side of Willow Road.
6. Mowing. The Town and the City will coordinate and agree upon mowing of shoulders along the designated roads as depicted on the Attached Exhibit A.
5. Insurance Coverage. The Town and City will assume all risks and responsibility for the maintenance of their portion of the roads designated on the attached Exhibit A, and agree to indemnify and hold the other party harmless for any liability incurred as a result of each

municipalities maintenance of the respective roads. Said indemnity shall include all damages and reasonable attorneys fees incurred by the other party for claims as a result of such maintenance.

7. Opt Out. The parties to this agreement may terminate this agreement at any time by giving the other party 60 days notice in writing. In no event shall such termination be effective unless the roads being maintained are of equal quality in terms of condition and repair.

8. Arbitration of Differences. If the parties have a disagreement regarding the implementation or interpretation of any aspect of this agreement, either party may elect to arbitrate said differences, using the arbitration procedures of Chapter 788, Wis. Stats. However, rather than use a panel of three arbitrators, the parties, if they agree, may jointly select a single arbitrator to decide the dispute. Each party shall pay their own attorney fees and costs related to said arbitration, but costs for the arbitrator and court reporter shall be divided equally between the parties. Specific procedures regarding preparation and conduct for arbitration proceedings shall be determined by the parties, or as ordered by the arbitrator. Any right to seek relief in a court of record, shall be governed pursuant to the provisions of Ch. 788, Wis. Stats.

9. Each party covenants and agrees that all necessary approvals have been duly authorized and adopted by their respective governing bodies according to law.

IN WITNESS WHEREOF, the undersigned having lawful authority from their respective municipalities have set their hand and seal on the dates set forth below.
