

The Parking Department supports contractor and service personnel. Frequent remodeling, upgrades and service calls are all indicators of a successful and vibrant downtown economy. However, long term contractor/service parking in the business district could disrupt parking turnover and have negative impact on surrounding blocks. The following are guidelines for contractor/service parking lasting more than 5 hours.

PARKING FINES & TICKETS

Be aware, if you are in a space without paying a meter or without a permit you are illegally parked. Fines are payable immediately. Fines double if not paid within 10 days. Fines may be paid using any of the following methods: hand-deliver to City Hall Front Desk; deposit in either of 24/7 secure payment boxes at City Hall (yellow pay box on sidewalk outside City Hall or pay box in foyer of City Hall); pay online with a credit card at www.cityoflakegeneva.com/parking (a service charge will apply); or place in an envelope with appropriate postage and mail to the address on ticket.

Please note that the City of Lake Geneva does place unpaid tickets with a collection agency and additional charges will apply. Multiple violations could result in a suspension/refusal order of your vehicle registration with the State of Wisconsin Department of Transportation.

No vehicle may be parked on any City street for a period of time longer than 24 consecutive hours.
