13. Adjournment

This is a meeting of the Piers, Harbors & Lakefront Committee.
No official Council action will be taken; however, a quorum of the Council may be present.
PIERS, HARBORS & LAKEFRONT COMMITTEE MINUTES
WEDNESDAY, SEPTEMBER 19, 2018 – 5:30PM
CITY HALL, CONFERENCE ROOM 2A

Members: Chairperson Doug Skates, Shari Straube, John Halverson, Rich Hedlund, and Tim Dunn

Meeting called to order by Chairman Skates at 5:30 p.m.

Roll Call: Ald. Skates, Straube, Halverson, Hedlund
Absent: Ald. Dunn
Also present: Mayor Hartz and Ald. Flower

Approval of Minutes from August 30, 2018 meetings as prepared and distributed
Motion to approve the August 30, 2018 minutes by Ald. Hedlund, second by Halverson. Motion carried 4-0.

Ald. Dunn arrived at 5:33 pm

Comments from the public limited to 5 minutes, limited to items on this agenda
None

Harbormaster’s Report
The Harbormaster is on vacation. Ald. Skates said not a lot of new information to report.
Ald. Flower asked if a report on the condition of the piers could be conducted when extracting the piers. Mayor Hartz pointed out that private piers have bumpers on them which helps to prevent damage to the piers. Most issues are on the far west-end of the piers and Mayor suggested maybe placing the bumpers on those piers. Ald. Flower noted damage on east-end long pier, and the gas pier recommending bumpers along with instructions on how boaters are to dock.

Discussion/Recommendation regarding funding for Riviera Restoration Project
Ald. Skates mentioned that three weeks ago they held a meeting at the Riviera with MSI to do a site assessment. Various staff and the City Attorney are researching how to budget for the Riviera in 2019.

Jennifer Guslik, Project Director from MSI and David Otermock presented the evaluation of the historic preservation of the Riviera in order to get approval from the State Historic Preservation group to move forward. Issues and concerns with the roofing were addressed along with gutters and material selection. The MSI representatives would like to look into comparing manufacturers to allow the city to make the best decision on how to move forward. Ideal time to install would be February through March/April (depending on product selected) timeframe based on material and less potential for rain. Snow is actually easier.

Need to consider building envelope for the 2018 budget and what you want to allocate.
Order for repairs would be roof first, tuck pointing, and then windows.
Note: roof is not dependent upon what we do on the interior.
Investigation will happen regarding full use of the building and whether or not a sprinkler system is required. Tuckpointing and concrete repairs (maintenance & safety issues) that can be done without having the interior plans determined. Jennifer suggested these as the primary focus for 2019. MSI said there were no signs of foundation problems present, but would recommend a diving investigation of the foundation & piers completed in 2018. Would need to have the council decide to do a marine study which would cost between $15K - $17K.

MSI will present a proposed budget for repairs by the end of September, and per Ald. Skates need to find out what SHPO will approve. Attorney Draper pointed out that they need to make sure they comply with the procedures when bidding request for proposals.

Ald. Dunn motioned to adjourn at 6:59 pm, second by Ald. Hedlund. Motional carried 5-0.

MINUTES ARE NOT OFFICIAL UNTIL APPROVED BY THE PIERS, HARBORS, AND LAKEFRONT COMMITTEE.

9/24/2018 cc: Aldermen, Mayor, Administrator, Harbormaster, Media
CITY OF LAKE GENEVA
AGREEMENT
2016 – 2018 PIERS & BUOYS SERVICE

This agreement is dated \(2-25-2016\) by and between the City of Lake Geneva (herein call Owner or City) and Gage Marine Corp. (herein call Contractor).

Owner and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Scope of Services

This contract for services is intended to provide for the annual installation, removal and maintenance (excluding painting) for the following City-owned lakefront piers, slips and buoys: Fishing Pier, West Pier with 50 boat slips, 56 buoys located in the waters adjacent to the Library Park shoreline, 4 “in and out” buoys at the launch ramp, 6 swim area buoys and six slow-no wake buoys from Riviera Pier to West Pier, two Swim Piers, and Designated Swimming Area floats (does not include White Shallow water marker for swim area), and Launch Pier.

Specific Services Required

Fishing Pier – Contractor shall install and remove the pier and replace all rotted materials. When removed, the pier shall be placed on the beach and the west end of Library Park. The City will pay for all (previously approved) materials. The pier shall be installed by the 20\(^{th}\) day of open water after the spring thaw and should be removed after October 15\(^{th}\).

West End Pier – Contractor shall install and remove the pier and replace all rotted materials. When removed, the pier shall be placed on the beach and the west end of Library Park. The City will pay for all (previously approved) materials. The pier shall be installed by the 20\(^{th}\) day of open water after the spring thaw and should be removed after October 15\(^{th}\).

Dinghy Ramps – The Contractor shall remove and reset the dinghy ramps (6 total) every year.

Buoys – Contractor shall install and remove the 56 city-owned buoys and store them on City property. Installation should be completed by the 15\(^{th}\) day of open water after the Spring Thaw. The Contractor is responsible for checking the chains and anchors and replacing them whenever necessary throughout Service Contract terms. Replacement of chain, buoy and anchor will be on a time and material basis and will require written approval.

Swim Piers – Contractor shall install and remove the two swim piers and replace rotted parts. The City will pay for all (previously approved) materials. The work shall be completed at least three days prior to Memorial Day. Removal of the piers shall occur after Labor Day and no later than October 15\(^{th}\).
Designated Swim Area Floats - Contractor shall install and remove the Designated Swim Area Floats. Installation work shall be completed at least three days prior to Memorial Day. Removal of the floats shall occur after September 15th and no later than October 15th. The floats will be stored on City property (Does not include white shallow water markers for swim area).

Replacement of any pier components on any of the piers for any reason will be done on a time and material basis and will require written approval before commencement of work.

**Contract Term**

The term of the Service Contract for services required in this contract shall be for three years, commencing on the 1st of January, 2016, or date of the signed contract, whichever is later, and ending on the 31st day of December, 2018.

**Contractual Relationship**

The Contractor agrees that any services rendered on behalf of the City of Lake Geneva shall be as an independent contractor. The contractor and his employees shall not be considered agents or employees of the City of Lake Geneva. No employees of the contractor shall be entitled to any benefits, compensation, unemployment compensation, disability compensation or compensation of any kind whatsoever, except as provided by contractor.

**Insurance and Hold Harmless**

The Contractor shall provide its own insurance for liability, $1,000,000 and $1,000,000 personal injury, and deliver to the City evidence of such coverage during the term of the Service Contract.

The Contractor shall indemnify and hold City harmless for any damage caused by its employees’ negligent or intentional acts and whether those acts cause property damage or personal injury.

The Contractor shall provide worker’s compensation insurance for all employees or otherwise meet the statutory requirements for a self-insured employer. Contractor shall deliver to the City evidence of such coverage during the Service Contract.

The Contractor agrees to abide by all statutory and administrative rules promulgated by the State of Wisconsin or its subdivision in carrying out the services of the Service Contract, including but not limited to the Wisconsin Department of Natural Resources. Failure to abide by any such rules will be deemed a serious breach of the contract and the City may declare the contract void upon such violation.
Method of Payment

For Installation/Removal One-half of the annual payment shall be made by the 15th day after receipt of invoice for completion of Spring installations, and the balance shall be due by the 15th day after receipt of invoice for completion of Fall removals.

For Maintenance payment shall be made 15th day after receipt of invoice for completion of maintenance work.

Compensation for Services

The Contractor agrees to provide all labor, tools and equipment needed on an annual basis for the work described herein at a cost of:

I. Installation/Removal:
   1) $34,820 for year 2016
   2) $35,864 for year 2017
   3) $36,940 for year 2018

II. 2016 Maintenance with Repair Parts as follows:

West Pier
   Horses
      4 Horses 83' wide 96" Deep
      2 Horses 42' Wide 84" deep
      2 Horses 42' Wide 96" Deep
      5 Horses 107" Wide 96" Deep
      1 Horse 107" Wide 84" Deep
   Stringers
      3-6x6x26'

1-4x6x20' with a 2x2
Decking
10 Pallets 3 boards-2x10x8'
Miscellaneous
48'-2x4 Capping

Total $20,435.38

The falling additional work is on an advance approval time and material basis:
1) Additional 2016 maintenance work
2) 2017 annual pier maintenance work
3) 2018 annual pier maintenance work
4) Beach Fence work
5) Ice Rails
6) Lagoon Piers
7) Gasoline Piers
8) Three Main Riviera Piers

Additional Maintenance work for 2016, 2017, and 2018 to replace any pier components on any
of the piers for any reason will be done on a time and material basis and will require written
approval before commencement of work.

**Miscellaneous**

No assignment by a party hereto of any rights under or interests in the Contract Document
will be binding on another party hereto without the written consent of the party sought to be
bound; and specifically but without limitation, moneys that may become due and moneys that
are due may not be assigned without such consent (except to the extent that the effect of this
restriction may be limited by law), and unless specifically stated to the contrary in any
written consent to an assignment no assignment will release or discharge the assignor from
any duty or responsibility under the Contract Documents.
Owner and Contractor each binds itself, its partners, successors, assigns and legal representatives to the other party hereto, its partners, successors, assigns and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

This Agreement will become effective February 15, 2016.

In Witness Whereof, Owner and Contractor have signed this Agreement in duplicate.

REQUEST FOR PROPOSALS

FOR

2019 – 2021 CITY OF LAKE GENEVA

PIERS & BUOYS SERVICE

Notice to Bidders

The City of Lake Geneva is soliciting sealed bid proposals until Thursday, November 15th, at 10:15 a.m. to annually install, remove and maintain the City of Lake Geneva’s Piers and Buoys. For additional information contact the director of Public Works, Tom Earle, at tearle@cityoflakegeneva.com or 262-248-6644. Bids must be sealed and submitted on the attached bid form and returned clearly marked with date and time of opening. The City reserves the right to reject any or all bids and to accept any bid considered most advantageous to the City of Lake Geneva. Bids must be dated and signed. No fax bids will be considered.

The City of Lake Geneva is exempt from Federal Excise Tax and State Sales Tax; therefore, proposals should be made exclusive of these taxes. A Tax Exemption Certificate and/or Tax Exemption Registry Number will be furnished to the successful vendor.

The City of Lake Geneva is the riparian owner of certain lake shoreline property within the City limits of the City of Lake Geneva. The City provides piers, slips and buoys to the citizenry and residents of the City. In order to provide care, maintenance and general upkeep, including the annual installation and removal of said piers, slips and buoys, the City is requesting proposals for these services.

Scope of Services

This contract for services is intended to provide for the annual installation, removal and maintenance (excluding painting) for the following City-owned lakefront piers, slips and buoys: Fishing Pier, West Pier with 50 boat slips, 56 buoys located in the waters adjacent to the Library Park shoreline, 4 “in and out” buoys at the launch ramp, 6 swim area buoys and six slow-no wake buoys from Riviera Pier to West Pier, two Swim Piers, and Designated Swimming Area floats (does not include White Shallow water marker for swim area), and Launch Pier.
Specific Services Required

Fishing Pier – Contractor shall install and remove the pier and replace all rotted materials. When removed, the pier shall be placed on the beach and the west end of Library Park. The City will pay for all (previously approved) materials. The pier shall be installed by the 20th day of open water after the spring thaw and should be removed after October 15th.

West End Pier – Contractor shall install and remove the pier and replace all rotted materials. When removed, the pier shall be placed on the beach and the west end of Library Park. The City will pay for all materials. Replacement and repair of damaged pier components will require a quote and prior written approval before work commences unless work is required on an emergency basis. The pier shall be installed by the 20th day of open water after the spring thaw and should be removed after October 15th.

Dinghy Ramps – The Contractor shall remove and reset the dinghy ramps (6 total) every year.

Buoys – Contractor shall install and remove the 77 city-owned buoys and store them on City property. Installation should be completed by the 15th day of open water after the Spring Thaw. The Contractor is responsible for checking the chains and anchors and replacing them whenever necessary throughout Service Contract terms. Replacement of chain, buoy and anchor will be on a time and material basis and will require prior written approval unless requested on an emergency basis.

Swim Piers – Contractor shall install and remove the two swim piers and replace rotted parts. The City will pay for all materials. Replacement and repair of damaged pier components will require a quote and prior written approval before work commences unless work is required on an emergency basis. The work shall be completed at least three days prior to Memorial Day. Removal of the piers shall occur after Labor Day and no later than October 15th.

Designated Swim Area Floats – Contractor shall install and remove the Designated Swim Area Floats. Installation work shall be completed at least three days prior to Memorial Day. Removal of the floats shall occur after September 15th and no later than October 15th. The floats will be stored on City property. (Does not include white shallow water markers for swim area).

Replacement of any pier components on any of the piers for any reason will be done on a time and material basis and will require prior written approval before commencement of work.
**Contract Term**

The term of the Service Contract for services required in this contract shall be for three years, commencing on the 1<sup>st</sup> of January, 2019, or date of the signed contract, whichever is later, and ending on the 31<sup>st</sup> day of December, 2021.

**Contractual Relationship**

The Contractor agrees that any services rendered on behalf of the City of Lake Geneva shall be as an independent contractor. The contractor and his employees shall not be considered agents or employees of the City of Lake Geneva. No employees of the contractor shall be entitled to any benefits, compensation, unemployment compensation, disability compensation or compensation of any kind whatsoever, except as provided by contractor.

**Insurance and Hold Harmless**

The Contractor shall provide its own insurance in the amount of $1,000,000 single limit for liability and property damage, and deliver to the City a certificate of insurance evidencing coverage during the term of the Service Contract and naming the City of Lake Geneva as an additional insured.

The Contractor shall indemnify and hold City harmless for any damage caused by its employees’ negligent or intentional acts and whether those acts cause property damage or personal injury.

The Contractor shall provide worker’s compensation insurance for all employees or otherwise meet the statutory requirements for a self-insured employer. Contractor shall deliver to the City evidence of such coverage during the Service Contract.

The Contractor agrees to abide by all statutory and administrative rules promulgated by the State of Wisconsin or its subdivision in carrying out the services of the Service Contract, including but not limited to the Wisconsin Department of Natural Resources. Failure to abide by any such rules will be deemed a serious breach of the contract and the City may declare the contract void upon such violation.

**Method of Payment**

For Installation/Removal One-half of the annual payment shall be made by the 15<sup>th</sup> day after receipt of invoice for completion of Spring installations, and the balance shall be due by the 15<sup>th</sup> day after all receipt of invoice for completion of Fall removals.

For Maintenance payment shall be made 15<sup>th</sup> day after receipt of invoice for completion of maintenance work.

October 8, 2018

City of Lake Geneva
Attention: Doug Skates – Piers & Harbor Chairperson
Chuck Gray – Harbor Master
Lana Kropf – City Clerk

This is our letter of intent to negotiate a new three (3) year lease of all ten (10) buoys.

The term of this lease is for 2019, 2020, 2021. Each season commencing April 15th and ending November 15th.

Sincerely,

Terry and Pamela Johnson

Dear Ms. Kropf:

Please consider this letter the notice of intent for Lake Geneva Boat Line, Inc. to negotiate and renew the “COMMERCIAL BUOY AND BOAT SLIP LEASE AGREEMENT” expiring November 15, 2018.

Nautical Regards,

Kenton Martzke  
President, Lake Geneva Boat Line, Inc.

Mr. Doug Skates, Chair of Piers, Harbors and Lake Front Committee;

In years past, the City has relied upon Lakes Area Rental to bring their man-lift to the Riviera for the purpose of installing decorations for events. While there, City maintenance staff would borrow the lift to make any needed repairs to the ballroom higher elevations. The City has no piece of equipment that can be used for such purposes.

Lakes Area Rental ceased operations apx 4 years ago. Since that time the City has relied on various rental companies to leave their lifts long enough for us to use them. This has brought up liability concerns regarding City Staff using lifts that do not belong to us along with not being properly trained on individual pieces of equipment. Schedules and timing of needed repairs are also of concern.

I have looked into new lifts which range from apx $9000.00 – 15,000.00. The quote attached is for a used lift in good shape very similar to the Lakes Area lift. I do not believe a new lift is warranted at this time as it is not used every day. The lift also fits into the existing elevator and is the only used lift of this kind I have been able to find.

Staff is looking for approval of this purchase or direction to alleviate the issue in the future possibly with capital borrowing funds or similar.

Thank you, Tom Earle, COLG DPW
