cc: Committee Members, Mayor, Council, Administrator, Attorney

FINANCE, LICENSING & REGULATION COMMITTEE MINUTES
TUESDAY, FEBRUARY 4, 2020 – 6:00 PM
CITY HALL, CONFERENCE ROOM 2A

Committee Members: Chairperson Ken Howell, Alderpersons: Selena Proksa, Doug Skates, John Halverson, and Rich Hedlund

Chairperson Howell called the meeting to order at 6:00 p.m.

Roll Call

Present: Howell, Halverson, Hedlund, and Proksa

Absent: Skates

Comments from the public as allowed by Wis. Stats. §19.84(2), limited to items on this agenda except for public hearing items. Comments will be limited to 5 minutes

Kevin Fleming; 1032 Wisconsin St; Spoke in favor of not increasing the parking rate, but extending the times that parking is enforced from 9:00 a.m. through 7:00 p.m. to 7:30 a.m. to 10:00 p.m.

Bruce Bennett; 384 S Stone Ridge; Spoke in favor of extending the parking enforcement hours to 7:30 a.m. to 10:00 p.m. and noted that the pedestrian count was increased by 16%. He also added that there is a want to re-establish a Parking Committee and read an article from the Lake Geneva Regional News that included citizens expressing concerns with the potential parking rate increase.

Sean Payne; 127 Sumner; Spoke in favor of the parking rate increased to \$2 everywhere and extended parking enforcement hours.

Ann Esarco; 1051 Mobile St; Spoke in favor of increasing of the City-wide parking rate increase, but not the morning extended hours.

Approve the Regular Finance, Licensing and Regulation Committee Meeting minutes of January 21, 2020, as prepared and distributed

Motion by Hedlund to approve, second by Halverson. No discussion. Motion carried 4-0.

Licenses & Permits

2019-2021 Original & Renewal Operator License applications filed by various applicants as listed in packet

Motion by Hedlund to approve, second by Proksa. No discussion. Motion carried 4-0.

Discussion/Evaluation/Possible Recommendation regarding an Original “Class B” Reserve Intoxicating Liquor & Class “B” Fermented Malt Beverage License Application filed by Sabai Sabai Thai Cuisine Inc d/b/a Sabai Sabai Thai Cuisine, agent, Jirapa Cox, located at 306 Center St, Lake Geneva, WI

Motion by Howell to approve, second by Proksa.

Jirapa Cox from Sabai Sabai Thai Cuisine addressed the committee. Proksa asked why the original license was turned in. Cox stated that at the time the license was surrendered they weren't sure if they would need the license but now they would like to move forward with the license. Motion failed 1-3, with Halverson, Hedlund, and Proksa voting no.

Discussion/Recommendation regarding Building and Zoning Scanning Project Estimates

Motion by Hedlund to approve, second by Halverson. Jim Flower addressed the committee regarding the two estimates for the scanning projects and the need to have their files digitized. He stated that the first estimate is from CitiesDigital in an amount of \$63,651 and the other came from Kapur in the amount not to exceed \$66,955. This would be a three-year project; the first year would be scanning all of the property files, year two would be the large scale plans, and the third year (optional) all archived large scale maps located in the basement of City Hall. Mayor Hartz stated that City staff would not have to organize them in any way prior to the project beginning and that the committee should approve the first year only. Howell stated that if this is approved only the first \$30,000 would be paid from the contingency fund and the remaining years would be put into the budget.

Motion by Hedlund to accept the proposal from Kapur for the first year only with the funds coming from contingency, second by Halverson. Motion carried 4-0.

Discussion/Recommendation regarding posting of Parking Manager Position

Motion by Proksa to approve, second by Halverson. Proksa stated that this was approved at Personnel and that the posting should not cost more than \$500. City Administrator Nord stated the various arenas that this notice will be posted/published. Motion carried 4-0.

Discussion/Recommendation regarding possible parking rate increase

Motion by Proksa to approve the parking increase of \$2 City-wide with the extension of parking enforcement to 9:00 p.m., second by Halverson. Hedlund spoke in opposition of the City-wide parking rate increase and noted that the downtown will become more congested than it already is. Finance Director Hall stated that there is a shortfall in the budget of \$100,000 and discouraged the extension of the hours due to the possibility of employee WRS contributions. Motion carried 3-1, with Hedlund voting no.

Discussion/Recommendation of **Resolution 20-R05** amending the City of Lake Geneva Fee Schedule to include wait list fees for Buoys, Slips, and Kayaks

Motion by Hedlund to approve, second by Halverson. Clerk Kropf stated that this wait fee has been charged for quite some time, but it was noticed that it was not a part of the fee schedule. Motion carried 4-0.

Discussion/Recommendation of **Resolution 20-R06** authorizing the carryover of 2019 Capital Projects Funds to the 2020 Capital Projects Fund Budget and authorizing additional 2020 purchases from the Capital Projects Fund

Motion by Hedlund to approve, second by Halverson. No discussion. Motion carried 4-0.

Discussion/Recommendation of **Resolution 20-R07** authorizing the carryover of 2019 Equipment Replacement Funds to the 2020 Equipment Replacement Fund Budget and authorizing additional 2020 purchases from the Equipment Replacement Fund

Motion by Proksa to approve, second by Halverson. Finance Director Hall stated that there is a balance in the new software budget that she would like to carry over to implement the software fully. This includes the funds for a new leaf vacuum for the Public Works Department. Motion carried 4-0.

Discussion/Recommendation of **Resolution 20-R08** adopting a 2020 budget amendment authorizing the use of reserve (assigned) funds in the Parking Fund for the purchase of (50) kiosks from Total Parking Solutions, Inc. in the amount of \$330,350

Motion by Halverson to approve, second by Proksa. No discussion. Motion carried 4-0.

Presentation of Accounts

Prepaid Bills in the amount of \$2,354,936.36

Motion by Hedlund to approve, second by Proksa. Finance Director Hall noted that the taxes were transferred to the LGIP. Motion carried 4-0.

Regular Bills in the amount of \$ 311,036.89

Motion by Hedlund to approve, second by Proksa. No discussion. Motion carried 4-0.

Motion to go into Closed Session pursuant to Wisconsin Statute 19.85(1)(g) Conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved. related to **Samson Enterprises, Inc Liquor License**

Motion by Howell to convene the Finance, Licensing, and Regulation Committee into Closed Session and to include all City Staff, second by Proksa. Motion carried 4-0. The committee convened into closed session at 6:40 p.m.

Motion to return to open session pursuant to Wisconsin Statutes 19.85 (2) and take action on any items discussed in closed session

Motion by Hedlund to convene the committee into Open Session, second by Proksa. Motion carried 4-0. The committee reconvened at 6:48 p.m.

No action taken on closed session items.

Future Agenda Items
-Amend Class B License Policy

Adjournment

Motion by Hedlund to adjourn the meeting of the Finance, Licensing, Regulation Committee, second by Proksa. Motion carried 4-0. The meeting adjourned at 6:50 p.m.

Renewal:

CITY OF LAKE GENEVA - EVENT PERMIT APPLICATION

Please fill in all blanks completely, as incomplete applications will be rejected.

Applications must be submitted AT LEAST 4 WEEKS prior to the proposed event date(s).

Section I. APPLICANT INFORMATION

NAME OF APPLICANT: Lou Seal

NAME OF EVENT ORGANIZER/PRODUCER: Big Foot Triathlon & Trail Run

PRODUCTION COMPANY/ORGANIZATION: RAM Racing

FEDERAL TAX ID:

STREET ADDRESS:

APT. UNIT OR SUITE #:

CITY: Buffalo Grove

STATE: IL

ZIP CODE:

EMAIL ADDRESS:

DAYTIME PHONE:

CELL PHONE:

Are you a [X] For Profit or [] Non-profit Organization 501(c) ___?

EIN # (Tax Exempt Number):

*ALL non-profits must present a copy of their current Tax ID - EIN #.

Section II. EVENT INFORMATION

[] Public Assembly Permit – * Non-profit (No Charge), Otherwise FEE \$60 per day

(Meet one or more criteria) Single day event use of City of Lake Geneva facilities with NO street, parking or intersection closures, attendance under 500, NO serving of alcohol in public space.

[] Block Parties or use of Gazebo for 1 Hour Photo Ops: * Non-profit (No Charge), Otherwise FEE \$75.00

Small event limited to one street with 4 barricades in a neighborhood or gazebo in Flat Iron Park.

[X] Tier 1 Events: * Non-profit (No Charge), Otherwise FEE \$250 for an event up to seven days, additional \$50 per day thereafter

(Meet one or more criteria) Rolling closure of streets, public walkway, limited parking stalls or intersection closures that do not impact public use, attendance of 501 to 3,000, four (4) hours or less of alcohol sales or serving, majority use of a city park(s), or other municipal facility.

[] Tier 2 Events: * Non-profit (No Charge), Otherwise FEE \$500 for an event up to seven days, additional \$100 per day thereafter

(Meets one or more criteria) Non-profit or not-for-profit organization offering multiple-day events, attendance of more than 3,000+, more than four (4) hours of alcohol sales or serving, and/or exclusive use of City park(s), street(s), limited parking stalls, or other municipal facility.

RESOLUTION OF THE COMMON COUNCIL

Resolution of commitment and support for the Wisconsin Department of Transportation (WisDOT) 2020-2024 Transportation Alternatives Program (TAP) Application to Design and Construct the South Street Trail

Committee:	Finance considered on February 18, 2020		
Fiscal Impact:	N/A		
File Number:	20-R09	Date:	February 24, 2020

WHEREAS, the City has been made aware of a highly competitive grant program through the Wisconsin Department of Transportation called the Transportation Alternatives Program (TAP), which funds bicycle and pedestrian projects at an 80% grant and 20% local match; and

WHEREAS, completing the South Street Trail and improving safety at South Street intersections is identified as a high priority in the *2018 City of Lake Geneva Bicycle and Pedestrian Plan* and remains a priority of the Park Board and City; and

WHEREAS, the City of Lake Geneva Common Council supports the TAP application submitted to WisDOT for the 2020-2024 award cycle in order to complete the South Street Trail; and

WHEREAS, the City of Lake Geneva recognizes that WisDOT reimburses project sponsors for the federal share of 80% of the approved TAP project costs. The City of Lake Geneva agrees to secure and commit the required 20% match of approximately \$240,721 allocated over a multi-year timeframe.

NOW, THEREFORE, be it resolved that if the City of Lake Geneva is awarded funding by WisDOT for the 2020-2024 TAP award cycle, the City of Lake Geneva is authorized to and agrees to accept the award and enter into all necessary agreements with WisDOT for the above referenced project; and

FUTHER, be it resolved that the City of Lake Geneva agrees to comply with all applicable laws, requirements, and regulations as outlined in the WisDOT 2020-2024 TAP application materials.

Granted by action of the Common Council of the City of Lake Geneva this 24th day of February, 2020.

Re: Resolution of Support for Transportation Alternatives Program (TAP) Grant Application

Background Information

The City has been made aware of a highly competitive grant program through the Wisconsin Department of Transportation called the Transportation Alternatives Program (TAP), which funds bicycle and pedestrian projects at an 80% grant and 20% local match. At the request of the Board of Park Commissioners, the City of Lake Geneva, with assistance from Vandewalle & Associates, has submitted a TAP grant application to complete the South Street Trail. **The proposed project is illustrated on the attached map.** The Lake Geneva Bicycle & Pedestrian Plan, adopted in 2018, identifies the South Street Trail as a high priority recommendation for implementation, as it connects the Middle School and High School to key community destinations and addresses existing safety issues.

The South Street Trail project involves extending the off-street trail on South Street (in front of the Middle School and High School). The trail will be extended in two directions:

1. Westward along South Street, ending at Lake Shore Drive (leaving open the option to connect to Big Foot Beach and the State Park entrance in the future)
2. Southeastward along Wells Street/CTH H, ending at the future YMCA site. South of the school campus, the trail will switch to on-street bicycle lanes due to wetlands adjacent to the roadway.

The completed trail would be approximately 1.5 miles total. In addition, intersection improvements would be provided at S. Wells Street/CTH H and Dorwood Drive to provide for safer crossing by people walking and on bikes. The project would be planned in conjunction with the planned signalization at South Street/Bloomfield Road and Edwards Boulevard/STH 120. More details are found in [the grant application](#), particularly the Narrative Response Questions.

The Bicycle & Pedestrian Plan acknowledges that funding is needed to implement the project, and multiple jurisdictions and partners will need to work together. The City has reached out to

120 East Lakeside Street • Madison, Wisconsin 53715 • 608.255.3988 • 608.255.0814 Fax
247 Freshwater Way, Suite 530 • Milwaukee, Wisconsin 53204 • 414.988.8631

Shaping places, shaping change

Geneva Lakes Family YMCA and Lake Geneva School District, which are both supportive of the project. Town of Linn and the Town of Bloomfield are both supportive of the trail in concept, although both Towns should be involved in project details going forward. The Wisconsin Department of Natural Resources should be involved as well, as the route borders Big Foot Beach State Park along South Street.

The Vandewalle & Associates led the development of the grant application with input from the City Administrator, the Department of Public Works, and Kapur Associates. Kapur Associates prepared the costs estimate for this project. The estimated cost is \$1,203,605. This amount includes trail design, state review, construction, construction inspection/oversight and contingencies. The 20% City match would be \$240,721 and would come from existing Capital Improvement Fund allocations (approximately \$___) and future Capital Improvement Fund allocations over a 3-4 year timeframe. Additional funding sources (private sources, funding from partner organizations) could be explored for the match, as well.

If the grant is awarded, design funding would be available on July 1, 2021 at the earliest. Construction funding would be available the following year (July 1, 2022). Grant awards are expected to be announced in May or June of 2020.

As part of the application requirements, a resolution of support from the Common Council is required by April 17, 2020.

VANDEWALLE & ASSOCIATES INC.

Date: February 5, 2020

From: Jackie Mich, AICP, Consulting City Planner
Re: Resolution of Support for Transportation Alternatives Program (TAP) Grant Application – South Street Trail

Background Information

The City has been made aware of a highly competitive grant program through the Wisconsin Department of Transportation called the Transportation Alternatives Program (TAP), which funds bicycle and pedestrian projects at an 80% grant and 20% local match. At the request of the Board of Park Commissioners, the City of Lake Geneva has submitted a TAP grant application to complete the South Street Trail, with assistance from Vandewalle & Associates. **The proposed project is illustrated on the attached map.** The *Lake Geneva Bicycle and Pedestrian Plan*, adopted in 2018, identifies the South Street Trail as a high priority recommendation for implementation, as it connects the Middle School and High School to key community destinations and addresses known safety issues at street crossings.

The South Street Trail project involves extending the off-street trail on South Street (currently in front of the Middle School and High School). The trail will be extended in two directions:

1. Westward along South Street, ending at Lake Shore Drive. This extension leaves open the option to connect the trail to Big Foot Beach and the Big Foot Beach State Park main entrance in the future.
2. Southeastward along Wells Street/CTH H, ending at the new home of the YMCA. South of the school campus, the off-street trail will switch to on-street bicycle lanes due to wetlands adjacent to the roadway.

The completed trail would be approximately 1.5 miles total. In addition, intersection improvements would be provided at S. Wells Street/CTH H and Dorwood Drive to provide for safer crossing by people walking and on bikes. The project would be planned in conjunction with the planned signalization at South Street/Bloomfield Road and Edwards Boulevard/STH 120. More details are found in the grant application form and Narrative Response Questions.

The *Bicycle and Pedestrian Plan* acknowledges that funding is needed to implement this project, and multiple jurisdictions and partners will need to work together. City has reached out to Geneva Lakes Family YMCA and Lake Geneva School District, which are both supportive of the project. Town of Linn and the Town of Bloomfield are both supportive of the trail in concept, although both Towns should be involved in project details going forward. The Wisconsin Department of Natural Resources should be involved as well, as the route borders Big Foot Beach State Park along South Street.

The Vandewalle & Associates led the development of the grant application with input from the City Administrator, the Department of Public Works, and Kapur & Associates. Kapur & Associates prepared the costs estimate for this project. The estimated cost is \$1,203,605. This amount includes trail design, state review, construction, construction inspection/oversight, and contingencies. The 20% City match would be \$240,721, which would be allocated over a 3-4 year timeframe. Additional outside funding sources (private sources, funding from partner organizations, etc.) could be explored to contribute the 20% match, as well.

If the grant is awarded, design funding would be available on July 1, 2021 at the earliest. Construction funding likely would be available the following year (July 1, 2022). Grant awards are expected to be announced in May or June of 2020.

As part of the application requirements, a resolution of support from the Common Council is required by April 17, 2020.

WisDOT 2020-2024

Transportation Alternatives Program (TAP) Application

<http://wisconsindot.gov/Pages/doing-bus/local-gov/astnce-pgrms/aid/tap.aspx>

Review and utilize TAP guidelines and application instructions when completing this document.

As discussed in the WisDOT TAP Guidelines, this application will go through a two-step process. The first step will be an assessment by the region as to eligibility and whether or not the project will be able to meet the rigorous, statutorily mandated commencement deadline. The second step will be an assessment of the relative merits of the application compared to other eligible applications. **Applicants will be notified if their application is found ineligible.**

Application Type

Select one and only one box for the application type. Please note that projects which are within the boundaries of a TMA will need to either compete locally within the MPO or as part of the Statewide solicitation. Refer to this map (<http://wisconsindot.gov/Documents/doing-bus/local-gov/plning-orgs/map.pdf>) for more information about the TMA areas.

Appleton Area Metropolitan Planning Organization (MPO) –
 Green Bay MPO
 Madison Area MPO
 Southeastern Wisconsin Regional Planning Commission (Milwaukee OR Round Lake Beach)

If none of the above, project application is from:

Area with population between 5,000 and 200,000
 Area with population of 5,000 or less
 Region-wide: % of population within a TMA area
 % of population between 5000 and 200,000, &
 % of population between 5000 and 200,000

Project Applicant

Name, Location of Public Sponsor and Sponsor Type:

Sponsor Name: **City of Lake Geneva**

Sponsor Type (Check appropriate box):

Local government (check one): County City Village Town

Regional transportation authority Transit agency
 State or federal natural resource/public land agency
 School district or school(s) Tribal Nation

Project Title: **South Street Trail**

Describe location, boundaries and length of the project: **Project is adjacent to South Street between Lake Shore Drive and STH 120; and a 0.5-mile segment on/adjacent to CTH H, south of Street, to future YMCA. The total project length, including the existing trail segment in front of the school campus, is approximately 1.54 miles. Boundaries are Lake Shore Drive, STH 120, and the future YMCA site on CTH H.**

County: **Walworth**

Street Address of Project (if located on a highway or road): **N2162 County Highway H (approx.)**

Note: For infrastructure projects, attach a project location map on one sheet of paper, size 8½ by 11.

Project Contact

Primary Public Sponsor Agency Contact Information:

Name: **Dave Nord** Title: **City Administrator** Street Address: **626 Geneva St** Phone: **(262)249-4098**
Municipality: **Lake Geneva** State: **WI** Zip: **53147**

Secondary E-mail: **cityadmin@cityoflakegeneva.com**

Public Sponsor Agency or Private Organization Contact Information (if applicable):

Organization / Agency Name:

Name: Title: Street Address: Phone : () -
Municipality: State: Zip:
E-mail:

Head of the Local Public Sponsor Agency or Private Organization Contact Information:

Organization / Agency Name: **City of Lake Geneva**

Name: **Thomas Hartz** Title: **Mayor** Street Address: **626 Geneva Street** Phone : **(262) 749-0842**
Municipality: **Lake Geneva** State: **WI** Zip: **53147**
E-mail: **thartz@cityoflakegeneva.com**

MPO, if applicable

Select one, if applicable,

- Bay Lake RPC (Sheboygan),
- Brown County Planning Commission (Green Bay)
- Chippewa-Eau Claire MPO (WCWRPC – Eau Claire)
- Dubuque Metropolitan Area Planning Study
- Duluth/Superior Metropolitan Interstate Committee (Superior)
- East Central Wisconsin RPC (Appleton, Oshkosh)
- Fond du Lac MPO (Fond du Lac)
- Janesville MPO (Janesville)
- La Crosse Area Planning Committee (La Crosse)
- Madison Area MPO (Madison)
- Marathon County MPO (Wausau)
- Southeastern Wisconsin RPC (SEWRPC - Waukesha)
- Stateline Area Transportation Study (Beloit)

Refer to this map (<http://wisconsindot.gov/Documents/doing-bus/local-gov/plning-orgs/map.pdf>) for more information about the TMA areas.

MPO Project Prioritization

If an MPO is submitting more than one project in an urbanized area within an MPO, the sponsor must rank each project in priority order, e.g., 1 (highest priority) to 5 (lowest), for the local priority among five projects. Local ranking will be used as a guide in project selection. **Project Priority:**

Please Note: MPO Project Prioritization is due by April 17, 2020.

Project Activity

TAP Eligibility Category:

Indicate which **ONE** of below categories best identifies the proposed project:

- Bicycle-Pedestrian Facilities: construction, planning, and design of on-road and off-road trail facilities for pedestrians, bicyclists and other non-motorized forms of transportation (**this category includes on-road bicycle lanes, sidewalks, etc.**)
- Safe routes for non-drivers, including children, older adults, and individuals with disabilities
- Conversion and use of abandoned railroad corridors for trails for pedestrians, bicyclists, or other non-motorized transportation users
- Construction of turnouts, overlooks, and viewing areas
- Historic preservation and rehabilitation of historic transportation facilities
- Safe Routes to School (SRTS) (this category includes infrastructure and non-infrastructure activities)
NOTE: Applicants proposing a project within the SRTS eligibility category **MUST** complete the 'School Demographics' and 'Safe Routes to School Plan' sections on page A-5 below.

Project Summary (400 words or less). Please copy and paste your response from a Word Document.

Applicants must fill out the project summary field below. This summary is also the first question in the narrative section.

The South Street Trail project involves completing an off-street trail on the south side of Lake Geneva. Covering approximately 1.54 miles, it involves the following: 1) Complete gaps in the existing trail parallel to South Street between Lake Shore Drive and existing trail at Badger High School. The new trail is expected to be on the north side of South Street west of Dorwood Drive and on the south side east of Dorwood Drive; 2) Install intersection improvements at Dorwood Drive and South Street; 3) Install intersection improvements at S. Wells Street/CTH H and South Street; and 4) Develop a new off-street trail on CTH H between Badger High School and the Middle School. South of the schools, install bicycle lanes to connect to the future home of the YMCA. The proposed trail will consist of a 10-foot-wide asphalt trail and will permit walking, bicycling, skating, and other nonmotorized uses. It will be plowed for year-round use, particularly by school students. In some locations, retaining walls may be needed to account for changing topography. The trail would particularly benefit the 39% of nearby residents who are considered to be low-income by HUD. Several vital community destinations are located directly along the trail route, including rear access to Big Foot Beach State Park (via Lake Geneva Blvd and Wilmont Blvd), Lake Geneva Youth Camp, Badger High School, Lake Geneva Middle School, the future Geneva Lakes Family YMCA site, residential neighborhoods, Geneva Meadows Apartments, and places of worship. The Trail would link to two existing off-street trails: 1) the north-south Edwards Boulevard path, which connects to employment and shopping areas, and 2) the former rail corridor trail that connects to Downtown. A trail along South Street is recommended in the City of Lake Geneva Bicycle & Pedestrian Plan (2018), identified as a missing link in the multimodal network. The project would occur in coordination with the City's plans to install a signalized intersection at South Street and STH 120, currently in the planning stages. Once implemented, the South Street Trail offers opportunities to expand east of STH 120 to the new Symphony Bay neighborhood, and to expand south to the Big Foot Beach State Park entrance on Lake Shore Drive. The South Street Trail project will be completed in communication with several entities, including Lake Geneva School District, Geneva Lakes Family YMCA, WDNR, Town of Linn, and Town of Bloomfield.

Project Benefit

Check all applicable project benefits, then describe in application narrative:

- ENVIRONMENTAL**
 - Increases likelihood of modal shift to biking, walking or transit from utilitarian car travel.
 - Increases access and connection to the natural environment.
- PUBLIC HEALTH** - Project would have a demonstrable impact upon public health of applicant community.
- ECONOMIC JUSTICE** - Project would go beyond community enhancement to address a specific “communities of concern,” including elderly, disabled, minority, and low-income population? The project within ½ mile of affordable housing complex(s). The project improves low income access to transit, jobs, education, and essential services.
- SAFETY** - Project addresses a specific safety concern. The project contains or addresses:
 - Collision data
 - Lack of adequate safe crossing or access
 - Lack of separated facility
 - High speed/volume
 - Provides sidewalk or pathway, with curb-cuts
 - Provides bike lanes, markings, and signage
 - Implements traffic calming measures
 - Signage and/or markings directed to safety concern
 - Provides crosswalk enhancement (striping, refuge island, signal, etc.)

For SRTS Projects there is:

 - Documented bike/pedestrian crash involving school age children or crossing guard at arrival/dismissal times near the school.
 - Crossings of state highways, main arterial roads or other high speed or high traffic volume roads.
 - Lack of bicycle and pedestrian facilities or lack of connectivity of facilities that do exist.
 - High level of parental concern documented in survey data.
 - Few or no children who live within 1 mile walk or bike. Busing may be offered to everyone because of documented hazards.
 - Children are walking but application shows that unsafe conditions exist.
- HISTORICAL AND/OR PRESERVATION SIGNIFICANCE** – Project would have strong historical or preservation benefit.
- ECONOMIC DEVELOPMENT** – Project facilitates economic development by increasing bicycle/pedestrian traffic in commercial corridors or by creating a destination that will help retail.

Local Resolution of Support

There is or there will be a local resolution of support for the proposed project, executed by a governing body that has the authority to make financial commitment on behalf of the project sponsor (i.e., County Board, City Council, or Regional Planning Commission Policy Board).

Yes No

Please note that a resolution **will be required** for an application to be eligible, which means a **copy of the resolution** should be submitted to the **Region Local Program Manager** no later than **5:00 PM April 17, 2020**.

WisDOT History of the Project Area

Is the proposed project on a State Highway? Yes No

Name of State Highway:

Does the proposed project intersect a State Highway? Yes No

Name of State Highway:

Has there been, or will there be a road improvement project in this project area? Yes No

If yes, year:

If yes, describe project: State Highway Project STP Local Bridge LRIP
 Pavement Replacement Reconstruction New Construction

Describe:

Existing Facilities & Projects that Impact the Proposed Project

Rail Facilities:

Does a railroad facility exist within 1,000 feet of the project limits? Yes No

If yes, specify: **SELECT**

If yes, does the project physically cross a rail facility? Yes No

Will an easement from OCR be required? Yes No

Is the proposed project location in an area with known safety issues? Yes No

If yes, specify: **South Street and STH 120** and (consider applying for Highway Safety Improvement Program (HSIP) funds if applicable)

Is this project on or parallel to a local road or street? Yes No

If Yes, provide the name of the road or street: **South Street and Wells Street/CTH H**

Does this project cross a state or federal highway? Yes No

Does this project run parallel to a state or federal highway? Yes No

If Yes to any of these questions attach an existing typical cross-section of the roadway, showing right of way, travel lanes, shoulder and sidewalk (if applicable). Examples are available in [FDM15-1-5](#) attachment [5.3](#) of the WisDOT facilities Development Manual.

Will this project be constructed as part of another planned road project? Yes No

If Yes, specify if this is a state, county, or local project and when the road project is scheduled for construction:

Will any exceptions to standards be requested? Yes No

If Yes, provide a brief description of the exceptions that may be requested: **In some locations, an 8' wide (vs. 10') pathway; less than 3' separation between roadway and path; clear zone less than 3' at edge of path**

Real Estate (RE) /Right of Way (ROW)

Was any real estate acquired or transferred in anticipation of this project? Yes No

If yes, please explain.

List any other funding (past or present) used within the proposed project limits (i.e. DNR Stewardship)

(none)

Is the project on an existing right of way (ROW)? Yes No

(NOTE: It is recommended that local funds be used to acquire right of way)

If Yes, have you obtained a permit from the WisDOT Regional Office Maintenance Section to conduct work on the right of way? Yes No

Check all boxes that apply to ROW acquisition for this project:

None Less than ½ acre More than ½ acre
 Parklands Large parcels Temporary interests

List any other funding (past or present) used within the proposed project limits (i.e. DNR Stewardship).

(none)

If right of way was acquired in anticipation of this project, attach a detailed list of available, completed project and parcel acquisition documentation. Refer to Section 11.2, Records Management, found in the *LPA MANUAL for RIGHT OF WAY ACQUISITION*

<https://wisconsin.gov/dtsdManuals/re/lpa-manual/lpa-manual.pdf>.

If right of way was acquired in anticipation of this project, did the acquisition contain any buildings or relocation?

Yes No

If yes, Please read Section 6.2, Relocation Assistance, found in the *LPA MANUAL for RIGHT OF WAY ACQUISITION* to determine if relocation assistance was properly offered and documented

<https://wisconsin.gov/dtsdManuals/re/lpa-manual/lpa-manual.pdf>

If right of way is required, acquisition will occur through a transfer of an adequate interest in real property.

Yes No

FHWA has determined that an adequate real property interest excludes licensing agreements (LA), which agreements will not be considered.

For real estate questions, please contact Kerry Paruleski, WisDOT Local Public Agency Real Estate Statewide Facilitator, at (414) 220-5461 or kerry.paruleski@dot.wi.gov.

Miscellaneous Issues

Construction Schedule Restrictions (trout, migratory bird, local events): **None**

Local Force Account (LFA): Will the proposed project utilize municipal employees to complete any portion of the construction activities? Yes No

If yes, explain the desired LFA portion of the project.

NOTE: LFA work must include labor, equipment and materials. The purchase of materials only is not considered to be a legitimate project.

NOTE: Please review WisDOT TAP Guidelines for restrictions on certain LFA work as of July 1, 2015.

Maintenance (only complete this section if project application involves a trail project):

Will the facility be snowplowed in the winter? Yes No

Comment:

If no to the above question, will the trail allow snowmobile use in the winter? Yes No

Comment:

Anticipated fee for trail use: Yes No

Comment:

Anticipated equestrian use on trail: Yes No

Comment:

Other Funding Sources: Has the municipality anticipated, requested or been approved for other federal or state funding from WisDOT for the improvement? Yes No

If yes, please indicate all the other funding sources that are anticipated, have been requested or approved with the associated project ID(s):

School Demographics (Complete ONLY if submitting a project within the SRTS Programming / Planning eligibility category)

What are the name(s) and demographics for each school affected by the proposed program or project?
Optional: Alternatively, SRTS project applicants may submit a narrative response/attachment 1 detailing school demographics provided that all fields below are answered in such attachment.

School name: School population: Grades of students at school:
 Estimated number of students currently walking to school (if known):
 Estimated number of students currently biking to school (if known):
 Does the school have any policies related to walking or biking?
 Distance eligibility for riding a bus: Number of children not eligible for busing:
 Number of students eligible for busing because of a hazard situation:
 Percentage of students living within one mile of the school:
 Percentage of students living within two miles of the school:
 Percentage of students eligible for free or reduced-cost school meals:
 Community(s) served by school: Community(s) population:

Safe Routes to School Infrastructure (Complete ONLY if submitting a project within the SRTS eligibility category)

Does your school or community have a Safe Routes to School plan? Yes No
 If yes, can it be viewed online? Yes, the website address is No, it is attached with the application.
 If no, please describe, **in no more than 400 words**, any SRTS-related planning efforts undertaken by the school or community.

CONFIDENTIAL INFORMATION

Project Costs, Priorities, and State Fiscal Years:

NOTE: do not include pages A-7 and A-8 in the Concept Definition Report (CDR) for approved TAP projects.

Complete the table below for the appropriate fiscal years of the application/project cycle (2020-2024). If a sponsor proposes to construct a project in phases throughout multiple years, schedule the project costs as appropriate and provide further details in the project description.

In addition to the table below, **attach a detailed breakdown of project costs in Microsoft Excel**. This detailed breakdown must clarify assumptions made in creating the budget such that a third-party reviewer would be able to substantiate the assumptions.

Submit a separate application and budget for each project or stand-alone project segment for which you are willing to accept funding, or for a bike trail section that could function as a separate facility. Project requests are not considered for partial funding.

Applicants may work with the Local Program Manager within their region for assistance to more accurately estimate costs. All estimates will be reviewed by WisDOT Region staff for consistency with current practices and approaches. Also, WisDOT Region staff may revise estimates in these categories due to the complexity of the project or other factors. WisDOT will notify the sponsor of any changes to estimates within the application and determine whether the sponsor wishes to continue with the application with the revised estimate.

NOTE: Requesting design and construction projects in the same fiscal year is not allowed.

Project Prioritization
 If a sponsor is submitting more than one project the sponsor must rank each project in priority order, e.g., 1 (highest priority) to 5 (lowest), for the local priority among five projects. Local ranking will be used as a guide in project selection. **Project Priority: 1**

Construction:

Basis for Construction Estimate: Itemized Per Square Foot Past Projects
 Other, please specify:

Schedule Preference: FY 2023 FY 2024

Construction (minimum \$200,000):

Federal Share of the Participating Construction Cost (80%)	\$739,479.82
Local Share of the Participating Construction Cost (20%)	\$184,869.96
Non-Participating Construction Cost (100% Local)	\$0.00
A. Subtotal Construction Costs	\$924,349.78
B. State Review for Construction (Contact WisDOT Region)	Percentage: % \$15,600.00
Construction with State Review Cost Estimate (sum lines A and B)	\$939,949.78

Design:

100% Locally Funded (state review is required to be included as 100% locally funded) **OR**
 80% Federally Funded ("state review only" projects are not allowed)

FY 2021 FY 2022 FY 2023

A. Plan Development (Contact WisDOT Region)	Percentage: 16 %	\$147,895.96
B. State Review for Design (Contact WisDOT Region)	Percentage: %	\$11,760.00
Design with State Review Cost Estimate (sum lines A and B)		\$159,655.96

Real Estate: (Recommend funding with local funds.)

FY 2021 FY 2022 FY 2023 FY 2024

Total Real Estate Cost (round to next \$1,000) **\$100,000**

Utility: (Compensable utility costs must be \$50,000 minimum per utility.)

Recommend funding with local funds.

FY 2021 FY 2022 FY 2023 FY 2024

Total Utility Cost (round to next \$1,000)

\$4,000

Other: (Planning or SRTS Programming):

FY 2021 FY 2022 FY 2023 FY 2024

Total Other Cost (round to next \$1,000)

\$

NOTE: WisDOT Policy link: <http://wisconsindot.gov/Pages/doing-bus/eng-consultants/cnslt-rsrces/rdwy/default.aspx>.

NOTE: WisDOT Region staff may revise estimates in the Plan Development, State Review for Design, and State Review for Construction categories based on the complexity of the project or other factors.

Narrative Response

Provide a narrative response attachment answering questions 1 through 3, making sure to provide information in response to each sub-question. Please limit the response to (6) six pages, using a **minimum 11-point font size**.

1. PROJECT DESCRIPTION AND OVERVIEW.

This is the summary from page A-3 of the application. It is a general overview of the project, including type of facility or project, location (please attach a location map or maps) and any other information about the project. It is brief. Limited to about 400 words.

2. PROJECT PLANNING & PREPARATION & LOCAL SUPPORT

Describe the degree to which this project was planned for and the local support and commitment for the project. If this project is part of a plan, describe that plan and the project's priority in that plan. If this is a planning project describe how this project will be integrated into other efforts. For SRTS projects, describe walk/ bike audits, parent surveys and data on crashes that support the selection of this project.

3. HISTORY OF SPONSOR SUCCESS, DELIVERABILITY AND COMMITMENT TO MULTIMODAL

How will the project be implemented on time? What obstacles or problems must be overcome to implement this project, and in light of project obstacles, describe how the project sponsor will comply with state law and policy requiring project commencement within four years of the award date, and project completion within approximately six years? Please describe prior experience with other multimodal projects and success in delivering those projects in the year in which they were scheduled. For example, were you able to deliver the project in the year it was programmed? Have you ever had to turn back awarded federal funds? Please explain. If problems were experienced in the past, what will be done on this project to ensure successful completion? Describe the project sponsor's commitment to multimodal programs and facilities generally like a complete streets ordinance, advisory committees, or inclusion of multimodal accommodations in any other local program projects.

4. PROJECT UTILITY & CONNECTIVITY

For Infrastructure Projects

Describe the degree to which this project serves utilitarian rather than recreational purposes and how, if at all, the project adds connectivity to the state's multi-modal transportation network, including bicycle, pedestrian and transit facilities. Describe how, if at all, the proposed project would connect to these existing land uses: park, school, library, public transit, employment and/or retail centers, residential areas, other. Describe how this project fills a multimodal gap or serves as a backbone to a local multimodal network.

For Planning Projects

Implementation of plan would serve a broad geographic area and adds connectivity to the state's multimodal transportation network. Describe how this project fills a multimodal gap or serves as a backbone to a local multimodal network.

For Safe Routes to School Programming Projects

Will the project get a higher percentage of children walking and biking to school - addresses clear safety problems for children already walking/biking. Address the following desired outcomes: reduction in parent concerns that keep them from allowing children to walk/bike; potential for changes in hazard busing; change in policy limiting walking/biking to school; increased school commitment to promoting walking/biking; improved driver behaviors in the school zone; making it more appealing for children to walk/bike; more law enforcement participation in walking/biking issues

5. PROJECT BENEFIT– ENVIRONMENTAL, LIVABILITY, ECONOMIC JUSTICE, PUBLIC HEALTH, HISTORICAL PRESERVATION, & SAFETY

NOTE: A TAP project should contribute to a community benefit. No applicant's project is expected to contribute to all the benefits listed on A-3 of the application, but a project that contributes to more than one benefit or has significant impact on a particular benefit will receive more points.

Describe the benefits likely derived from the proposed project, this description should correspond to the project benefit section on page A-3.

6. PROJECT CAPITALIZES ON, SUPPLEMENTS OR AUGMENTS AN EXISTING ROAD IMPROVEMENT PROJECT

There is a way to tie the multimodal project to an existing road improvement project that allows the project sponsor to take advantage of the resources of a larger project.

- For SRTS projects: The project addresses safety and education issues of walking and biking to school due to a recent or anticipated road improvement project.

Key Program Requirements Confirmation

Please confirm your understanding of the following project condition by **typing your name, title and initials** at the bottom of this section. **A Head of Government/Designee with fiscal authority for the project sponsor must initial this section and sign this application. Sponsor consultant(s) should not initial or sign project applications.**

WisDOT will deem ineligible any application that does not provide confirmation to this section.

- a. Private organizations proposing projects must have a public project sponsor such as a local government unit.
- b. The project sponsor or private partner must provide matching dollar funding of at least 20% of project costs.
- c. This is a reimbursement program. The project sponsor must finance the project until federal reimbursement funds are available.
- d. The project sponsor will pay to the state all costs incurred by the state in connection with the improvement that exceed federal financing commitments or other costs that ineligible for federal reimbursement. In order to guarantee the project sponsor's foregoing agreements to pay the state, the project sponsor, through its duly executed officers or officials, agrees and authorized the state to set off and withhold the required reimbursement amount as determined by the state from any monies otherwise due and payable by the state to the municipality.

- e. The project sponsor must not incur costs for any phase of the project until that phase has been authorized for federal charges and the WisDOT Region has notified the sponsor that it can begin incurring costs. Otherwise, the sponsor risks incurring costs that will not be eligible for federal funding.
- f. The project sponsor will follow the applicable federal and state regulations required for each phase of the project. Some of these are described in the Guidelines. The requirements include, but are not limited to, the following: a Qualifications Based Selection (QBS) process for design and engineering services (Brooks Act); real estate acquisition requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and amendments; competitive procurement of construction services; Davis-Bacon wage rates on federal highway right-of-way projects; WisDOT FDM & Bicycle Facilities Handbook; ADA regarding accessibility for the disabled; MUTCD regarding signage; U.S. Department of the Interior standards for historic buildings. Each WisDOT Region can provide copies of the current *Sponsor's Guide to Non-Traditional Transportation Project Implementation*, and references for sections of the Facilities Development Manual (FDM) and other documents necessary to comply with federal and state regulations. **Applicants who plan to implement their projects as Local Let Contracts using the Sponsor's Guide must become certified that they are capable of undertaking these projects.**
- g. If applying for a bicycle facility, it is understood that All Terrain Vehicles (ATVs) are not allowed. Snowmobile use is only allowable by local ordinance. Trail fees may only be charged on a facility if the fees are used solely to maintain the trail. WisDOT reserves the right to require that facilities be snowplowed as part of a maintenance agreement where year-round use by bicyclists and pedestrians is expected.
- h. The project sponsor agrees to maintain the project. Failure to maintain the facility, or sale of the assets improved with FHWA funds will subject the sponsor to partial repayment of federal funds or additional stipulations protecting the public interest in the project.
- i. If the project sponsor should withdraw the project, it will reimburse the state for any costs incurred by the state on behalf of the project.
- j. The project sponsor agrees to state delivery and oversight costs by WisDOT staff and their agents. These costs include review of Design and Construction documents for compliance with federal and state requirements, appropriate design standards, and other related review. These costs will vary with the size and complexity of the project. The sponsor agrees to add these costs to the project under the same match requirements 80% / 20% match requirements.
- k. Projects that are fully or partially federally funded must be designed in accordance with all applicable federal design standards, even if design of the project was 100% locally funded.
- l. As the project progresses, the state will bill the project sponsor for work completed that is ineligible for federal reimbursement. Upon project completion, a final audit will determine the final division of costs as between the state and the project sponsor. If reviews or audits reveal any project costs that are ineligible for federal funding, the project sponsor will be responsible for any withdrawn costs associated with the ineligible work.
- m. For 100% locally-funded design projects, cost for design plan development and state review for design are 100% the responsibility of the local project sponsor. Project sponsors may not seek federal funding only for state review of design projects.
- n. The project sponsor acknowledges that the requisite project commencement requirement and that failure to comply with the applicable commencement deadline will jeopardize federal funding. Commencement is within four years of the date of the project award. The project must be commenced within four (4) years of the project award date according to Sec. 85.021, Wis. Stats. For construction projects, a project is commenced when construction is begun. For planning projects, a planning project is commenced when the planning study is begun. For non-infrastructure projects that do not fall within any of the above categories, a project is considered commenced on the date that WisDOT receives the first reimbursement request from the project sponsor, as noted on form DT1713 in the 'Date Received' field.

- o. The project sponsor acknowledges that the requisite project completion timeline for approved TAP projects will be memorialized in a state-municipal agreement, and failure to comply with the applicable project timeline will jeopardize federal funding.
- p. Federally-funded transportation construction projects, with the exception of sidewalks, are likely improvements that benefit the public at large. Improvements of this type cannot generally be the basis of levying a special assessment pursuant to Wis. Stat. § 66.0703. Municipalities who wish to obtain project funding via special assessment levied against particular parcels should seek advice of legal counsel. See Hildebrand v. Menasha, 2011 WI App. 83.

Please confirm your understanding of the following project condition by typing your name, title and initials at the bottom of this section. A Head of Government/Designee with fiscal authority for the project sponsor must initial this section and sign this application. Sponsor consultant(s) should not initial or sign project applications.

I confirm that I have read and understand project conditions (a) through (p) above:

Name: David Nord

Title: City Administrator

Accepted (please initial here): DN

Fiscal Authorization and Signature

Application prepared by a consultant? Yes No

If yes, consultant information and signature required below.

Consultant Company Name: **Vandewalle & Associates** Company Location (City, State): **Milwaukee, WI**

Consultant Signature (electronic only): Jaclyn A. Mich

Date: 1/24/2020

NOTE: On Local Program projects, it is not permissible for a consultant to fill out applications gratis (or for a small fee) for a municipality and then be selected to do the design work on a project. A municipality could start their consultant selection process early enough and make the application part of the scope of services with the understanding that all costs incurred prior to authorization will be the responsibility of the local municipality. See FDM [8-5](#) for additional information.

Sponsor Agency: **City of Lake Geneva**

Contact Person: **David Nord** (Note: must be Head of Government or Designee)

Title: **City Administrator**

Address: **626 Geneva Street**

Telephone: **(262) 249-4098**

Email: **cityadmin@cityoflakegeneva.com**

Only one project sponsor is allowed per project. As a representative of the project sponsor, the individual that signs below is confirming that the information in this project application is accurate. A local official, not a consultant, must sign the application. I understand that completion of this application does not guarantee project approval for federal funding.

Head of Government/Designee Signature (electronic only): David Nord

Date: 1/24/2020

Application and Attachments

Submit applications and attachments utilizing the contact information contained in the corresponding TAP Pre-Scoping Application Instructions. Applicants must **submit eligible applications on or before 5PM on January 24, 2020**, and must include the following documents:

- A completed application **in Microsoft Word format**
- Narrative Response/Attachment 3: maximum of **one double-spaced page, minimum 11-point font size**
- Cost Estimate Detail as required in the **'Project Costs and Dates'** section of this application
- For infrastructure projects, a project map printed in black & white, on one sheet of 8½ by 11 paper
- If available, a **local resolution of support** for the proposed project
- If right of way was acquired in anticipation of this project**, attach a detailed list of available, completed project and parcel acquisition documentation (**see page A-2**)

OPTIONAL Attachment

- If proposed project crosses or runs parallel to a local road, street, or state or federal highway**, attach an existing typical cross-section of the roadway, showing right of way, travel lanes, shoulder and sidewalk (if applicable) (**see page A-2**).
- SRTS School Demographics Information

NOTE: Do not include additional attachments (photos, letters of support, etc.)

WisDOT Information – Shaded area to be completed by WisDOT staff only.

FOR WISDOT USE ONLY –This information must be entered on the spreadsheet and on the application.

Narrative Response Questions

One. Narrative Summary of Project

The South Street Trail project involves completing an off-street trail on the south side of Lake Geneva.

Covering approximately 1.54 miles, it involves the following: **1)** Complete gaps in the existing trail parallel to South Street between Lake Shore Drive and existing trail at Badger High School. The new trail is expected to be on the north side of South Street west of Dorwood Drive and on the south side east of Dorwood Drive; **2)** Install intersection improvements at Dorwood Drive and South Street; **3)** Install intersection improvements at S. Wells Street/CTH H and South Street; and **4)** Develop a new off-street trail on CTH H between Badger High School and the Middle School. South of the schools, install bicycle lanes to connect to the future home of the YMCA. The proposed trail will consist of a 10-foot-wide asphalt trail and will permit walking, bicycling, skating, and other nonmotorized uses. It will be plowed for year-round use, particularly by school students. In some locations, retaining walls may be needed to account for changing topography.

The trail would particularly benefit the 39% of nearby residents who are considered to be low-income by HUD. Several vital community destinations are located directly along the trail route, including rear access to Big Foot Beach State Park (via Lake Geneva Blvd and Wilmont Blvd), Lake Geneva Youth Camp, Badger High School, Lake Geneva Middle School, the future Geneva Lakes Family YMCA site, residential neighborhoods, Geneva Meadows Apartments, and places of worship. The Trail would link to two existing off-street trails: 1) the north-south Edwards Boulevard path, which connects to employment and shopping areas, and 2) the former rail corridor trail that connects to Downtown. A trail along South Street is recommended in the *City of Lake Geneva Bicycle & Pedestrian Plan (2018)*, identified as a missing link in the multimodal network. The project would occur in coordination with the City's plans to install a signalized intersection at South Street and STH 120, currently in the planning stages. Once implemented, the South Street Trail offers opportunities to expand east of STH 120 to the new Symphony Bay neighborhood, and to expand south to the Big Foot Beach State Park entrance on Lake Shore Drive. The South Street Trail project will be completed in communication with several entities, including Lake Geneva School District, Geneva Lakes Family YMCA, WDNR, Town of Linn, and Town of Bloomfield.

Two. Project Planning & Preparation & Local Support

There is significant local support and commitment for this trail project. Led by the Board of Park Commissioners, the City has committed annual budget funds to complete gaps in the City's bicycle and pedestrian network and has committed funds to apply for this grant with assistance from Vandewalle & Associates and Kapur & Associates. Improved multimodal facilities along South Street have been contemplated as early as 2009, in the *City of Lake Geneva Comprehensive Plan*. The City's *2015-2020 Park and Open Space Plan* recommends improving off-street trail connections along South Street to link neighborhoods to the school campus and Big Foot Beach State Park. To further its commitment to multimodal transportation, the City adopted its first *Bicycle & Pedestrian Plan* in 2018, which recommends a trail along South Street and intersection improvements at Wells Street/CTH H. That plan also recommends continuing the trail south through Big Foot Beach State Park, which is a very long-term future project. The *Bicycle & Pedestrian Plan* identifies the South Street Trail as a high priority, long-term recommendation and acknowledges that funding sources are needed and that multiple jurisdictions and partners will need to work together to implement the project. While not yet in adopted plans, the Wells Street/CTH H segment was added to this project to provide a safe connection to the future new YMCA site, which was announced in the fall of 2019. The South Street corridor is also included in SEWRPC's *Vision 2050* plan as a recommended arterial street or highway with bicycle accommodation. The City has shared conceptual plans for the South Street Trail with the many different entities that the trail touches, including Geneva School District, Geneva Lakes Family YMCA, WDNR, Town of Linn, and the Town of Bloomfield. The **Geneva Lakes Family YMCA**, which serves as the City of Lake Geneva recreation department, has expressed its support for the project. With a focus on youth development, healthy living, and social responsibility, the YMCA is planning to annex its new site on CTH H into the City and will work with the City to integrate the new site into the City's trail network. **Lake Geneva School District** has offered its support and cooperation on the project. The City has engaged in conversations with the School District to discuss safe routes to school and pedestrian safety around the school campus. Although a Safe Routes to School program has not been established, the safety of students remains a high priority for both the City and School District. The School

District and City are currently working together to provide a signalized intersection at STH 120 and South Street, which may be jointly funded. The **Town of Linn** and the **Town of Bloomfield** are both supportive of the trail in concept, although both Towns have emphasized a desire to continue working with the City on key project details and future shared services agreements or jurisdiction changes. The proposed South Street Trail would be maintained by the City of Lake Geneva, although it would likely run through portions of Town of Linn right-of-way and Town of Bloomfield right-of-way on South Street and CTH H. Currently, the City and the Town of Bloomfield are finalizing a Shared Services Agreement related to upgrading to a signalized intersection of South Street/Bloomfield Road and STH 120, at the terminus of this Trail project. The signal project will likely involve a mutual boundary adjustment to confer jurisdiction of the intersection to the City.

Three. History of Sponsor Success, Deliverability and Commitment to Multimodal

The City of Lake Geneva is committed to multimodal programs and facilities. The vision of Lake Geneva as a walkable, bikeable community through development of an interconnected sidewalk and trail network is well established in adopted City plans (including the *Comprehensive Plan*, *Bicycle & Pedestrian Plan*, and *Park and Open Space Plan*). Additionally, the City's zoning ordinance requires all developments of 60,000 sq. ft. or more to connect to the City's existing and planned pedestrian and bicycle facilities and provide multimodal facilities within the development. City policy requires sidewalk and bicycle facilities for all new developments. The City currently has five multi-use trails, mainly located on the east side of the City, and a northwest-southeast trail along an inactive rail bed, which connects to Downtown Lake Geneva. The South Street Trail would fill a gap in the City's growing bicycle and pedestrian network. Multimodal efforts are led by the City's Board of Park Commissioners, which is committed to expanding walkability and bikeability in the City.

This project is special because it brings together several community partners and local governments. However, this also means that the City relies on the continued cooperation of these partners to complete the Trail, particularly the School District and the Towns of Linn and Bloomfield. The City expects these relationships to remain strong; however, the City acknowledges that the success of the Trail depends on these partnerships. The City intends to maintain open lines of communication throughout project design and

Lake Geneva South Street Trail

construction phases in order to ensure continued collaboration. Existing conditions along South Street and CTH H present some challenges, including variable topography, lack of space between development and the road, utility poles close to the road, mapped wetlands, and presence of mature trees. The design will need to be creative in navigating this tight space. At times, trail width, roadway separation, and trail clear zone may need to be reduced in order to complete the Trail.

The City has successfully managed multimodal projects in the past and is prepared to commence and complete this project on time. In 2010, the City extended Edwards Boulevard from STH 50 to Sheridan Springs Road. The project included the construction of a multiuse path parallel to Edwards Boulevard, sidewalks, a bridge, storm sewers, water and sewer mains, and stormwater detention ponds. The project, which was partially funded by WisDOT, was completed on time and on budget. In addition, the City has successfully managed recreational trails and parkland acquisition projects funded by WDNR Knowles-Nelson Stewardship Grants. The City has never turned back federal funds. If awarded, the grant for the South Street Trail would be a high-profile project, with careful scrutiny by the Common Council and public, ensuring diligent planning and project management.

Four. Project Utility & Connectivity

The South Street Trail serves primarily utilitarian purposes. It is intentionally designed to provide a safe multimodal transportation to essential services such as Badger High School, Lake Geneva Middle School, places of worship located along the proposed trail corridor, and the youth and family programming provided the future YMCA site. Further, the Trail will improve multimodal connections to jobs, particularly benefitting residents of the neighborhoods located along the proposed trail corridor. The Trail will connect to the Edwards Boulevard multimodal path, which provides a direct link to Lake Geneva's employment areas, including Lake Geneva Business Park, the regional retail areas surrounding the USH 12/STH 50 interchange, and the business/retail areas located on Sheridan Springs Road. Additionally, the Trail connects residents to Geneva Lake and Big Foot Beach, as well as the diverse recreational activities available at Big Foot Beach State Park, the future Geneva Lakes Family YMCA, and Lake Geneva Youth Camp. The Trail does not connect to the multimodal transportation network outside of Lake Geneva; however, the City's *Bicycle &*

Lake Geneva South Street Trail

Pedestrian Plan recommends regional connections between the City and other locations in Walworth County, including White River County Park and the White River State Trail. The South Street Trail would also provide access to the pedestrian path encircling Geneva Lake.

Five. Project Benefit

Environmental: The project increases access and connection to the natural environment by providing a safe, off-street connection to Big Foot Beach State Park (rear access from South Street), Lake Geneva Youth Camp, and the Geneva Lakes Family YMCA. Because of the many essential destinations and other multimodal facilities the Trail touches, the project increases the likelihood of modal shift from car travel to biking or walking, particularly for those who live along the route.

Public Health: This project would impact public health in Lake Geneva by enabling more people to walk or bike to community destinations, thus increasing opportunities for exercise and reducing carbon emissions associated with driving. The School District is already concerned about safety issues for school children and their families walking to school; developing this trail would provide a safer option for people on bikes and on foot. The Trail would also provide multimodal access to the future YMCA site, which provides health, wellness, and fitness programming to area residents.

Economic Justice: According to the most recent available HUD Data, 39% of the residents of the census block group (#551270016023) alongside the South Street Trail are considered “low-income,” i.e. earning less than 50% of the area’s median income (Source: ACS 5-Year 2011-2015 Low- and Moderate-Income Summary Data, accessed 2019). These residents will benefit from the trail, as it provides them with access to services, jobs, schools, and everyday destinations, particularly by filling a missing link to the multiuse path on Edwards Boulevard. Maintaining and enhancing safe, off-street pedestrian and bicycle facilities along South Street and CTH H will support further modal shift by enabling Lake Geneva residents to opt to walk or bike to essential destinations, including jobs, grocery stores, restaurants, daily shopping, and YMCA services and programming geared toward youth, elderly, and low-income families.

Economic Development: While not on a commercial corridor, the Trail facilitates increased multimodal traffic on commercial corridors by filling a critical gap in the multimodal network. The Trail directly

connects to the Edwards Boulevard path, an important commercial corridor home to regional shopping areas and Lake Geneva Business Park – a key employment area. The Trail also directly connects to the rails-to-trails corridor to Downtown Lake Geneva, a major retail, tourism, and employment hub in Walworth County.

Safety: The South Street Trail addresses several specific safety concerns. This off-street path with curb-cuts project provides a separated multimodal facility on South Street and CTH H where none is provided. It also provides marked bike lanes on CTH H to safely connect residents to the new YMCA. The project addresses an existing lack of an adequate safe crossing at Wells Street by providing intersection improvements such as pavement marking, signage, and realigning the crosswalk and sidewalk to provide a safe place for trail users to wait to cross Wells Street. The project provides crosswalk enhancements at Dorwood Drive, providing pavement markings, signage, and a pedestrian-activated flashing beacon.

Six. Project Capitalizes on, Supplements, or Augments an Existing Road Improvement Project

This project supplements a future project to upgrade South Street/Bloomfield Road and Edwards Boulevard (STH 120) to a signalized intersection. The State has determined that the City has enough warrants to have a signal at STH 120. Currently in the planning stages (not scheduled), the signal project will be completed in partnership with the Town of Bloomfield and Lake Geneva School District and may be jointly funded with the School District. The signal project may occur before the South Street Trail project and the intersection will be designed to accommodate the Trail project.

To Whom It May Concern:

On behalf of Lakeland Community Church and its people I want to thank you for all you do and the way you serve our community. Sometimes your work and efforts can go unseen or unappreciated. We want you to know, we see what you do and we appreciate you and your team.

We wanted to honor you and your team with a \$750 gift. Lakeland raised \$75,000 this Christmas to be given in the month of January back into our community. We are dividing this up among 100 different entities in the realm of protection (police and fire), government, and education. This gift can be used however you best see fit. Our hope is that this gift would be an extension of our appreciation and honor to as many people who serve with you as possible.

If there is a financial need that this gift could help meet, feel free to use it in that way...or if you would like to use it to simply throw a party or provide a meal for your team, feel free to use it in that way.

However it is used we ask that you somehow communicate with your team...

"This _____ was provided by Lakeland Community Church. Lakeland wants to extend their thanks, appreciation, and honor to you today! We value you and the important role you play in our community. Thank you so much for all you do!

From all of us here at Lakeland...Blessings Upon You!"

And from me personally, I want to thank you for all you do and the way you serve. Leading is never easy, but it's always an honor. As John Maxwell said... ***"Leaders become great, not because of their power, but because of their ability to empower others."***

Lead well my friend,

Assigned Fund Balances-Avian Committee - Donations

12/31/19

Assigned Fund Balance 12/31/18	442.80
Revenues	3,189.49
Expenditures	<u>(169.50)</u>
Assigned Fund Balance 12/31/19	<u><u>3,462.79</u></u>

RESOLUTION OF THE COMMON COUNCIL

Resolution approving the assigned fund balance for the Historic Preservation Committee donations account as of December 31, 2019

Committee: Finance considered on February 18, 2020

Fiscal Impact: N/A

File Number: **20-R11**

Date:

February 24, 2020

Whereas, the Historic Preservation Committee received donated monies in the amount of \$141.00 in 2019, and,

Whereas, the Historic Preservation Committee had \$3,892.00 in the Assigned Fund Balance-Historic Preservation account as of 1/1/19, and

Whereas, the Historic Preservation Committee spent \$1,680.90 of their donated monies in 2019 and therefore, the 12/31/19 ending balance for this account should be adjusted to \$2,352.10, and

Now Therefore be it Resolved by the Lake Geneva Common Council to adopt this resolution to adjust the 2019 Fund Balance accounts as follows:

Increase Acct # 11-00-00-34800, Unassigned Fund Balance, by \$1,539.90

Decrease Acct # 11-00-00-34500, Assigned Fund Balance-Historic Preservation, by \$1,539.90

Granted by action of the Common Council of the City of Lake Geneva this 24th day of February, 2020.

Council Action: **Adopted** **Failed** **Vote** _____

Mayoral Action: **Accept** **Veto**

Expenditures	<u>(1,680.90)</u>
Assigned Fund Balance 12/31/19	<u><u>2,352.10</u></u>

RESOLUTION OF THE COMMON COUNCIL

Resolution adopting 2019 transfers from the Lakefront Special Revenue Fund and the Parking Special Revenue Fund to the General Fund.

Committee: Finance considered on February 18, 2020

Fiscal Impact: N/A

File Number: **20-R12**

Date:

February 24, 2020

Whereas, the Lake Geneva Common Council approved the 2019 Operating Budget for the General Fund which includes revenue from transfers from the Lakefront Fund of \$463,941 and the Parking Fund of \$878,100, and

Whereas, it was previous approved that all but \$75,000 of revenues over expenditures from each of these Special Revenue Funds be transferred to the General Fund, and

Whereas, it is still desirable to have a fund balance remaining in each of these Special Revenue Funds and the level that would be most appropriate is \$1,134,856 for the Lakefront Fund and \$1,125,000 for the Parking Fund and that the excess could be transferred to the General Fund by the year end 2019,

Now Therefore be it Resolved that the Lake Geneva Common Council adopt a resolution to transfer to the General Fund, at year end 2019, an amount of \$449,265 from the Lakefront Special Revenue Fund and an amount of \$954,368 from the Parking Special Revenue Fund which will leave a \$75,000 addition to the fund balance in each of these funds.

Granted by action of the Common Council of the City of Lake Geneva this 24th day of February, 2020.

Council Action: **Adopted** **Failed** **Vote** _____

Subject: Cintas Fire: Fire Alarm Replacement quote
Attachments: Lake Geneva City Hall non proprietary One for one.pdf

Tom:

Thank you for your time yesterday. Per our discussion, I have attached a "One for one", Fire Alarm replacement Proposal.

*Please note: that the Simplex NAC Power supply, (the 4009 panel, that you pointed out by the Fire panel), was not included for replacement on the other contractors parts list. This is a proprietary piece, that will need to be replaced, so I did include in my Proposal.

Thank you,

Rich Wallrath | Service Manager

Quantity	Description
1	Intelligent Fire Alarm Control Panel, 198 point
1	Remote Fire Alarm Annunciator, 6000 series, Red
1	6 AMP Power Supply - 4 NAC Circuits
21	Intelligent Addressable Photoelectric Smoke Detector
11	Intelligent Addressable Thermal Detector
13	Addressable Dual Action Manual Pull Station
4	Addressable Duct Smoke Detector
4	Sampling Tube 5'
8	Relay Module
10	Input Monitor Module
23	2-Wire Horn/ Strobe, Multi-Candela, Red
25	Strobe Only, Multi-Candela, Red
4	12 Volt, 7AH Battery
1	Lot Cintas Installation/ Programming/ Testing labor

Before tax Total: \$13,915.87

Details & Notes:

Quote includes the parts and labor, to replace the existing "Proprietary" Simplex, Fire Alarm System. Includes replacement the Fire panel, NAC power supply, Smoke Detectors, Heat Detectors, Pull Stations, Input Modules, Relay modules and the Horns/ Strobes "one for one". This work/ scope, re-uses the existing wiring, raceways, electrical junction boxes etc.

-Drawings, Permitting, Design, Engineering and/or CAD work, is **not** included in this quote, but is available at additional cost if needed. Architectural/ building drawings would be required and provided by others.

-Any additional unforeseen items that arise during the installation process (i.e. Troubleshooting, Electrical work, Wiring, etc.) will be billed at additional cost.

-Any additional items/ changes to the building or AHJ requirements that arise during the installation and/ or acceptance testing (i.e. additional devices, connections etc.) will be at additional cost.

-Cintas is not responsible for any painting and or "Drywall" work that may be required as a result of the Panel and device replacements.

Thank you for your business,

Page 1 of 6

Johnson Controls is pleased to offer for your consideration this quotation for the above project.

Comments

This proposal is for a full head end hardware upgrade to a new supported Simplex 4100ES Fire Alarm Control Panel. Your existing Simplex 4020 Fire Alarm Panel has reached obsolete status and is now discontinued. As a result, we may no longer be able to provide repairs due to the age of the panel and the unavailability of many replacement parts. By proactively upgrading your Fire Alarm Panel, you avoid potential compromised safety, fire watch if the system suddenly fails, significant operational costs, etc. Taking action helps ensure "Up-to-Date" protection, maximized system reliability and compliance, uninterrupted fire alarm system performance. In addition, all the existing devices are UL Listed, and backwards compatible for proper functionality.

The Simplex 4100ES is the current platform, and the platform going forward for the foreseeable future. The new platform, and its software, has more processing power, and has improved the ability to add several new life cycle cost-saving features such as: an On-board Mass Storage device, Install Mode, and future migration to TrueAlert addressable notification, and others.

Scope of Work

The new 4100ES main control panel in the Lower Level-Data Room will replace the existing Simplex 4020 FACP. The new 4100ES will take over the existing Horn circuits and Mapnet channel from the 4020 FACP. A new Remote Annunciator will replace the existing annunciator in the same location. The demolition of the existing 4020/Annunciator panel, and the installation of the new 4100ES/Remote Annunciator will be done by JCI Subcontracted Electrical Contractor. JCI Subcontracted Electrician will also run a new IDNet cable from the new 4100ES to the existing 4009 NAC panel for activation.

Our price includes a technician trip to survey existing conditions prior to panel upgrade, label existing cables inside panel, and go over any questions with the installing electrician. Price also includes programming, testing existing devices to confirm functionality with new FACP, and providing an NFPA certification. Our price does not applicable taxes.

Please note the following:

- It is not our intent to bring the system up to current code with this panel upgrade. If the AHJ requires this, then this would be an extra.
- Our price does not include state submittal or local fire alarm permit, should not be required for a service upgrade.
- Fire Watch not included.
- Any additional electrical or other permits are the responsibility of the Customer.
- Work completed during normal business hours 8AM to 5PM, Monday through Friday.
- Quotation does not include tax. If tax exempt, please provide tax exempt certificate with purchase order.

THIS QUOTATION AND ANY RESULTING CONTRACT SHALL BE SUBJECT TO THE GENERAL TERMS AND CONDITIONS ATTACHED HERETO.

TERMS AND CONDITIONS (Rev. 3/19)

1. Payment. Payments shall be invoiced and due in accordance with the terms and conditions set forth above. Work performed on a time and material basis shall be at Company's then-prevailing rate for material, labor, and related items, in effect at the time supplied under this Agreement. Company shall invoice Customer for progress payments to one hundred (100%) percent based upon equipment delivered or stored, and services performed. In the event project duration exceeds one month, Company reserves the right to submit partial invoices for progress payments for work completed at the project site. Customer agrees to pay any progress invoices in accordance with the payment terms set forth herein. In exchange for close-out documents to be provided by Company, Customer agrees to pay Company the remaining project balance when on-site labor is completed and prior to any final inspections. Customers without established satisfactory credit shall make payments of cash in advance, upon delivery or as otherwise specified by Company. Where Customer establishes and maintains satisfactory credit, payments shall be due and payable thirty (30) days from date of invoice. Company reserves the right to revoke or modify Customer's credit in its sole discretion. Customer's failure to make payment when due is a material breach of this Agreement. If Customer fails to make any payment when due, in addition to any other rights and remedies available, Company shall have the right, at Company's sole discretion, to stop performing any Services and/or withhold further deliveries of materials, until the account is current. In the event payment is not received when due, Company may, at its discretion, assess late fees at the rate of 1.5% per month or the maximum rate allowed by law. Customer agrees to pay all costs of collection, including without limitation costs, fees, and attorneys' fees.

2. Deposit. Customer agrees to pay a deposit equal to 30% of the project sell price (pre-tax) prior to Company providing any labor or materials on the project. Company will generate an invoice for the 30% deposit within three (3) business days after Company's receipt of a written agreement or order from Customer. Company will not commence work until receipt of the deposit

3. Pricing. The pricing set forth in this Agreement is based on the number of devices to be installed and services to be performed as set forth in the Scope of Work ("Equipment" and "Services"). If the actual number of devices installed or services to be performed is greater than that set forth in the Scope of Work, the price will be increased accordingly. If this Agreement extends beyond one year, Company may increase prices upon notice to the Customer. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, however designated, levied or based on the service charges pursuant to this Agreement. Prices in any quotation or proposal from Company are subject to change upon notice sent to Customer at any time before the quotation or proposal has been accepted. Prices for products covered may be adjusted by Company, upon notice to Customer at any time prior to shipment, to reflect any increase in Company's cost of raw materials (e.g., steel, aluminum) incurred by Company after issuance of Company's applicable proposal or quotation.

4. Alarm Monitoring Services. Any reference to alarm monitoring services in this Agreement is included for pricing purposes only. Alarm monitoring services are performed pursuant to the terms and conditions of Company's standard alarm monitoring services agreement.

5. Code Compliance. Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in the Scope of Work. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required

will be provided at an additional cost to Customer.

6. Limitation of Liability; Limitations of Remedy. It is understood and agreed by the Customer that Company is not an insurer and that insurance coverage shall be obtained by the Customer and that amounts payable to company hereunder are based upon the value of the services and the scope of liability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises. Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or Warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences therefrom that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that, Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences therefrom, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an amount equal to the Agreement price (as increased by the price for any additional work) or where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Such sum shall be complete and exclusive. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S) OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM. The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of company, whether direct or indirect, company's employees, agents, officers and directors.

7. Reciprocal Waiver of Claims (SAFETY Act). Certain of Company's systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Anti-Terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§ 441-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, Company and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

8. General Provisions. Customer has selected the service level desired after considering and balancing various levels of protection afforded, and their related costs. All work to be

performed by Company will be performed during normal working hours of normal working days (8:00 a.m. – 5:00 p.m., Monday through Friday, excluding Company holidays), as defined by Company, unless additional times are specifically described in this Agreement. Company will perform the services described in the Scope of Work section ("Services") for one or more system(s) or equipment as described in the Scope of Work section or the listed attachments ("Covered System(s)"). The Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes the Covered System(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom. UNLESS OTHERWISE SPECIFIED IN THIS AGREEMENT, ANY INSPECTION (AND, IF SPECIFIED, TESTING) PROVIDED UNDER THIS AGREEMENT DOES NOT INCLUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY COMPANY TO CUSTOMER. COMPANY SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURRING WHILE COMPANY IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILURE ALSO RESULTS FROM THE AGE OR OBSOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS AGREEMENT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS OR EXTERIOR TO THE BUILDING, ELECTRICAL WIRING, AND PIPING.

9. Customer Responsibilities. Customer shall furnish all necessary facilities for performance of its work by Company, adequate space for storage and handling of materials, light, water, heat, heat tracing, electrical service, local telephone, watchman, and crane and elevator service and necessary permits. Where wet pipe system is installed, Customer shall supply and maintain sufficient heat to prevent freezing of the system. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom. Customer shall further:

- supply required schematics and drawings unless they are to be supplied by Company in accordance with this Agreement;
- Provide a safe work environment, in the event of an emergency or Covered System(s) failure, take reasonable safety precautions to protect against personal injury, death, and property damage, continue such measures until the Covered System(s) are operational, and notify Company as soon as possible under the circumstances.
- Provide Company access to any system(s) to be serviced,
- Comply with all laws, codes, and regulations pertaining to the equipment and/or services provided under this agreement.

10. Excavation. In the event the Work includes excavation, Customer shall pay, as an extra to the contract price, the cost of any additional work performed by Company due to water, quicksand, rock or other unforeseen condition or obstruction encountered or shoring required.

11. Structure and Site Conditions. While employees of Company will exercise reasonable care in this respect, Company shall be under not responsibility for loss or damage

due to the character, condition or use of foundations, walls, or other structures not erected by It or resulting from the excavation in proximity thereto, or for damage resulting from concealed piping, wiring, fixtures, or other equipment or condition of water pressure. All shoring or protection of foundation, walls or other structures subject to being disturbed by any excavation required hereunder shall be the responsibility of Customer. Customer shall have all things in readiness for installation including, without limitation, structure to support the sprinkler system and related equipment (including tanks), other materials, floor or suitable working base, connections and facilities for erection at the time the materials are delivered. In the event Customer fails to have all things in readiness at the time scheduled for receipt of materials, Customer shall reimburse Company for all expenses caused by such failure. Failure to make areas available to Company during performance in accordance with schedules that are the basis for Company's proposal shall be considered a failure to have things in readiness in accordance with the terms of this Agreement.

12. Confined Space. If access to confined space by Company is required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate.

13. Hazardous Materials. Customer represents that, except to the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no:

- "permit confined space," as defined by OSHA,
- risk of infectious disease,
- need for air monitoring, respiratory protection, or other medical risk,
- asbestos, asbestos-containing material, formaldehyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are hereinafter referred to as "Hazardous Conditions". Company shall have the right to rely on the representations listed above. If hazardous conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control and Company shall have no obligation to further perform in the area where the hazardous conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and Customer shall pay disruption expenses and re-mobilization expenses as determined by Company. This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

14. OSHA Compliance. Customer shall indemnify and hold Company harmless from and against any and all claims, demands and/or damages arising in whole or in part from the enforcement of the Occupational Safety Health Act (and any amendments or changes thereto) unless said claims, demands or damages are a direct result of causes within the exclusive control of Company.

15. Interferences. Customer shall be responsible to coordinate the work of other trades (including but not limited to ducting, piping, and electrical) and for and additional costs incurred by Company arising out of interferences to Company's work caused by other trades.

16. Modifications and Substitutions. Company reserves the right to modify materials, including substituting materials of later design, providing that such modifications or substitutions will not materially affect the performance of the Covered System(s).

17. Changes, Alterations, Additions. Changes, alterations and additions to the Scope of Work, plans, specifications or

construction schedule shall be invalid unless approved in writing by Company. Should changes be approved by Company, that increase or decrease the cost of the work to Company, the parties shall agree, in writing, to the change in price prior to performance of any work. However, if no agreement is reached prior to the time for performance of said work, and Company elects to perform said work so as to avoid delays, then Company's estimate as to the value of said work shall be deemed accepted by Customer. In addition, Customer shall pay for all extra work requested by Customer or made necessary because of incompleteness or inaccuracy of plans or other information submitted by Customer with respect to the location, type of occupancy, or other details of the work to be performed. In the event the layout of Customer's facilities has been altered, or is altered by Customer prior to the completion of the Work, Customer shall advise Company, and prices, delivery and completion dates shall be changed by Company as may be required.

18. Commodities Availability. Company shall not be responsible for failure to provide services, deliver products, or otherwise perform work required by this Agreement due to lack of available steel products or products made from plastics or other commodities. In the event Company is unable, after reasonable commercial efforts, to acquire and provide steel products, or products made from plastics or other commodities, if required to perform work required by this Agreement, Customer hereby agrees that Company may terminate the Agreement, or the relevant portion of the Agreement, at no additional cost and without penalty. Customer agrees to pay Company in full for all work performed up to the time of any such termination.

19. Project Claims. Any claim of failure to perform against Company arising hereunder shall be deemed waived unless received by Company, in writing specifically setting forth the basis for such claim, within ten (10) days after such claims arises.

20. Backcharges. No charges shall be levied against Company unless seventy-two (72) hours prior written notice is given to Company to correct any alleged deficiencies which are alleged to necessitate such charges and unless such alleged deficiencies are solely and directly caused by Company.

21. System Equipment. The purchase of equipment or peripheral devices (including but not limited to smoke detectors, passive infrared detectors, card readers, sprinkler system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other system equipment, which is attached to the Covered System(s), whether provided by Company or a third party, interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment promptly upon notice from Company. Failure of Customer to remove or replace the device shall constitute a material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or failure of the Covered System(s) caused in whole or in part by such device or equipment.

22. Reports. Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current Report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The Report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components lies with Customer.

23. Limited Warranty. Subject to the limitations below, Company warrants any equipment (as distinguished from the

Software) installed pursuant to this Agreement to be free from defects in material and workmanship under normal use for a period of one (1) year from the date of first beneficial use or all or any part of the Covered System(s) or 18 months after Equipment shipments, whichever is earlier, provided however, that Company's sole liability, and Customer's sole remedy, under this limited warranty shall be limited to the repair or replacement of the Equipment or any part thereof, which Company determines is defective, at Company's sole option and subject to the availability of service personnel and parts, as determined by Company. Company warrants expendable items, including, but not limited to, video and print heads, television camera tubes, video monitor displays tubes, batteries and certain other products in accordance with the applicable manufacturer's warranty. Company does not warrant devices designed to fail in protecting the System, such as, but not limited to, fuses and circuit breakers. Company warrants that any Company software described in this Agreement, as well as software contained in or sold as part of any Equipment described in this Agreement, will reasonably conform to its published specifications in effect at the time of delivery and for ninety (90) days after delivery. However, Customer agrees and acknowledges that the software may have inherent defects because of its complexity. Company's sole obligation with respect to software, and Customer's sole remedy, shall be to make available published modifications, designed to correct inherent defects, which become available during the warranty period. If Repair Services are included in this Agreement, Company warrants that its workmanship and material for repairs made pursuant to this Agreement will be free from defects for a period of ninety (90) days from the date of furnishing.

EXCEPT AS EXPRESSLY SET FORTH HEREIN, COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR EQUIPMENT, IF ANY, SUPPORTED HEREUNDER.

Warranty service will be performed during Company's normal working hours. If Customer requests warranty service at other than normal working hours, service will be performed at Company's then current rates for after hours services. All repairs or adjustments that are or may become necessary shall be performed by and authorized representative of Company. Any repairs, adjustments or interconnections performed by Customer or any third party shall void all warranties.

24. Indemnity. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, including specifically any damages resulting from the exposure of workers to Hazardous Conditions whether or not Customer pre-notifies Company of the existence of said hazardous conditions, arising in any way from any act or omission of Customer or Company relating in any way to this Agreement, including but not limited to the Services under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action.

25. Insurance. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies.

26. Termination. Any termination under the terms of this Agreement shall be made in writing. In the event Customer terminates this Agreement prior to completion for any reason not arising solely from Company's performance or failure to perform, Customer understands and agrees that Company will incur costs of administration and preparation that are difficult to estimate or determine. Accordingly, should Customer terminate this Agreement as described above, Customer agrees to pay all

charges incurred for products and equipment installed and services performed, and in addition pay an amount equal to twenty (20%) percent of the price of products and equipment not yet delivered and Services not yet performed, return all products and equipment delivered and pay a restocking fee of twenty (20%) percent the price of products or equipment returned. Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Default as hereinafter defined. Company may also terminate this Agreement at its sole discretion upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts.

27. Default. An Event of Default shall be 1) failure of the Customer to pay any amount within ten (10) days after the amount is due and payable, 2) abuse of the System or the Equipment, 3) dissolution, termination, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, 1) discontinue furnishing Services, 2) by written notice to Customer declare the balance of unpaid amounts due and to become due under the this Agreement to be immediately due and payable, provided that all past due amounts shall bear interest at the rate of 1 1/2% per month (18% per year) or the highest amount permitted by law, 3) receive immediate possession of any equipment for which Customer has not paid. 4) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and 5) recover all costs and expenses, including without limitation reasonable attorneys' fees, in connection with enforcing or attempting to enforce this Agreement.

28. Exclusions. Unless expressly included in the Scope of Work, this Agreement expressly excludes, without limitation, testing inspection and repair of duct detectors, beam detectors, and UV/IR equipment; provision of fire watches; clearing of ice blockage; draining of improperly pitched piping; replacement of batteries; recharging of chemical suppression systems; reloading of, upgrading, and maintaining computer software; system upgrades and the replacement of obsolete systems, equipment, components or parts; making repairs or replacements necessitated by reason of negligence or misuse of components or equipment or changes to Customer's premises, vandalism, corrosion (including but not limited to micro-bacterially induced corrosion ("MIC")), power failure, current

fluctuation, failure due to non-Company installation, lightning, electrical storm, or other severe weather, water, accident, fire, acts of God or any other cause external to the Covered System(s). Repair Services provided pursuant to this Agreement do not cover and specifically excludes system upgrades and the replacement of obsolete systems, equipment, components or parts. All such services may be provided by Company at Customer's sole discretion at an additional charge. If Emergency Services are expressly included in the scope of work section, the Agreement price does not include travel expenses.

29. No Option to Solicit. Customer shall not, directly or indirectly, on its own behalf or on behalf of any other person, business, corporation or entity, solicit or employ any Company employee, or induce any Company employee to leave his or her employment, for a period of two years after termination of this Agreement.

30. Force Majeure; Delays. Company shall not be liable for any damage or penalty for delays or failure to perform work due to acts of God, acts or omissions of Customer, acts of civil or military authorities, Government regulations or priorities, fires, epidemics, quarantine, restrictions, war, riots, civil disobedience or unrest, strikes, delays in transportation, vehicle shortages, differences with workmen, inability to obtain necessary labor, material or manufacturing facilities, defaults of Company's subcontractors, failure or delay in furnishing complete information by Customer with respect to location or other details of work to be performed, impossibility or impracticability of performance or any other cause or causes beyond Company's control, whether or not similar to the foregoing. In the event of any delay caused as aforesaid, completion shall be extended for a period equal to any such delay, and this contract shall not be void or voidable as a result of the delay. In the event work is temporarily discontinued by any of the foregoing, all unpaid installments of the contract price, less an amount equal to the value of material and labor not furnished, shall be due and payable upon receipt of invoice by Customer.

31. One-Year Limitation on Actions; Choice of Law. It is agreed that no suit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the accrual of the cause of action or one (1) year after the claim arises, whichever is shorter, whether known or unknown when the claim arises or whether based on tort, contract, or any other legal theory. The laws of Massachusetts shall govern the validity, enforceability, and interpretation of this Agreement.

32. Assignment. Customer may not assign this Agreement without Company's prior written consent. Company may assign this Agreement to an affiliate without obtaining Customer's consent.

33. Entire Agreement. The parties intend this Agreement, together with any attachments or Riders (collectively the "Agreement") to be the final, complete and exclusive expression of their Agreement and the terms and conditions thereof. This Agreement supersedes all prior representations, understandings or agreements between the parties, written or oral, and shall constitute the sole terms and conditions of sale for all equipment and services. No waiver, change, or modification of any terms or conditions of this Agreement shall be binding on Company unless made in writing and signed by an Authorized Representative of Company.

34. Severability. If any provision of this Agreement is held by any court or other competent authority to be void or unenforceable in whole or in part, this Agreement will continue to be valid as to the other provisions and the remainder of the affected provision.

35. Legal Fees. Company shall be entitled to recover from the customer all reasonable legal fees incurred in connection with Company enforcing the terms and conditions of this Agreement.

36. License Information (Security System Customers): AL Alabama Electronic Security Board of Licensure 7956 Vaughn Road, Pmb 392, Montgomery, Alabama 36116 (334) 264-9388; AR Regulated by: Arkansas Board of Private Investigators And Private Security Agencies, #1 State Police Plaza Drive, Little Rock 72209 (501)618-8600; CA Alarm company operators are licensed and regulated by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA, 95814. Upon completion of the installation of the alarm system, the alarm company shall thoroughly instruct the purchaser in the proper use of the alarm system. Failure by the licensee, without legal excuse, to substantially commence work within 20 days from the approximate date specified in the agreement when the work will begin is a violation of the Alarm Company Act: NY Licensed by N.Y.S. Department of the State: TX Texas Commission on Private Security, 5805 N. Lamar Blvd., Austin, 78752-4422, 512-424-7710. License numbers available at www.jci.com or contact your local Johnson Controls office.

IMPORTANT NOTICE TO CUSTOMER

In accepting this Proposal, Customer agrees to the terms and conditions contained herein including those on the following pages of this Agreement and any attachments or riders attached hereto that contain additional terms and conditions. It is understood that these terms and conditions shall prevail over any variation in terms and conditions on any purchase order or other document that the Customer may issue. Any changes in the system requested by the Customer after the execution of this Agreement shall be paid for by the Customer and such changes shall be authorized in writing. **ATTENTION IS DIRECTED TO THE LIMITATION OF LIABILITY, WARRANTY, INDEMNITY AND OTHER CONDITIONS ON THE FOLLOWING PAGES.** This proposal shall be void if not accepted in writing within thirty (30) days from the date of the Proposal.
