Motion by Halverson to approve, second by Hedlund. Finance Director Hall stated that there was a Fire vehicle that was damaged in 2019 and the funding to replace it was approved in 2019. She stated that the vehicle was obtained in 2020 and that the funds should be moved to 2020. This resolution will approve the reallocation of that money. Motion carried 5-0.

Discussion/Recommendation regarding **Ordinance 20-03** ordinance amending Chapter 2, Administration, Article VIII, Emergency Government, Section 2-401, Policy and Purpose by adding Subsection (d), enforcement and Penalty relating to the Enforcement or Emergency Orders issued by the State of Wisconsin or the City of Lake Geneva, Wisconsin

Chief Rasmussen stated that this will allow the Police Department to issue a citation due to a violation of an Emergency Order. He added that the District Attorney will not take any misdemeanors that come from the lack of this type of ordinance being in place. He added that this should have been in place from the start and that it should be in place for the future. Rasmussen noted that other municipalities are following the same path and others are not. He added that Police Department would not just go out and start writing tickets; they would continue to enforce compliance. Fesenmaier a Motion by Hedlund to approve, second by Halverson. Motion carried 5-0.

Discussion regarding the City of Lake Geneva Event Permit Policy as it relates to the Waiver of Fees

Howell noted that this had come forward as a request from Alderperson Fesenmaier. Fesenmaier inquired how the waiver of fees worked for the event permits. Clerk Kropf noted that the Deputy Clerk had reviewed the trend of which groups had requested the waiver of fees for certain events. After reviewing those trends and how other municipalities handle event permits, the policy was developed to indicate that non-profit organizations would be able to apply with automatic waiver of fees. This policy would give the Council a clear outline of which groups were able to have the event permit fees waived. No action taken.

### Discussion regarding City of Lake Geneva Revenue Shortfalls and Reduction of Expenditures for 2020

City Administrator Nord addressed the committee regarding the memo that was included in the Finance packet. He outlined the different categories for how department heads could possibly reduce expenses. Nord stated that the Departments heads have started the review of their budgets, however they would like additional direction from the Council. Finance Director Hall stated that she is worried about the revenue shortfall from parking, room tax, and beach admission. She added that there are other options that include short term borrowing or using the City's reserve funds. Flower questioned if the City should maybe postpone certain projects that are slated to be completed in 2020. This information should be made available from the Departments Heads for the upcoming Standing Committee meetings. Flower also added that she would not agree with the raising of any fees or reducing wages for any City staff. No action taken.

### Discussion/Possible Action regarding potential license fee reduction or payment deferment for certain City-issued licenses

City Clerk Kropf stated that she had received requests from certain local businesses that the City reduce or waive license fees. If the City were to waive or reduce all of the fees for the licenses expiring June 30, the City would lose about \$85,000. Kropf added that she had considered offering a license payment deferment, however after reviewing the State Statute and conferring with the City Attorney, the City can't legally offer that. This more specifically applies to the liquor, tobacco, and operator licenses. Motion by Howell to leave the fees as is, second by Hedlund. Motion carried 5-0.

### **Presentation of Accounts**

#### Prepaid Bills in the amount of \$ 392,780.59

Motion by Hedlund to approve second by Howell. No discussion. Motion carried 5-0.

#### Regular Bills in the amount of \$ 187,742.15

Motion by Howell to approve, second by Yunker. Finance Director Hall stated that the General Communications invoice is so that the emergency equipment can be taken off the Dodge Street Tower before it is razed and then it will be put back up once the tower is complete. Motion carried 5-0.

### **Adjournment**

*Revised  
Change in  
dates.*

Hi Nan,

Hope you're doing well! It's been a crazy few months, but hopefully we will see things getting back to normal soon. I'm finally getting back to the Concerts in the Park and have filled out a new permit application with new contact and credit card information (see attached). **There is one other change that we'd like to request, and that is in the DATES.** While Stephanie and I have been talking about the status of Concerts in the Park given the COVID-19 pandemic, we thought it might be a good idea to push the start date from June 25 to July 2 in case state mandates or restrictions continue into June. This would change the event date range from 6/25 – 8/6 to **7/2 – 8/13** (start/end dates one week later than original application). I used the new date range in the revised application. Please let me know if there is any problem with this change.

We realize that even with the current safer-at-home mandate set to expire May 26<sup>th</sup>, the state's recovery plan unveiled this week has a phased in reopening for large gatherings. We are assuming this applies to events such as Concerts in the Park, so we understand we may need to cancel the event to be in compliance. However, we wanted to get the new permit application submitted so we can move ahead if we're allowed to host the event.

Please let me know if you have any questions or need any other information at this point.

Thank you!

Thank you Nan! Do you know the cost to reserve the stalls? And is there a deadline to submit the vendor list? We're just beginning to select vendors for Concerts in the Park, so don't have it quite finalized yet. I will complete a new permit application with updated information.

Hi Deanna,

I will let Kari know you would like to reserve a few parking stalls and you would directly with Parking/Kari to pay for the stalls you would like bagged for those dates. If you would send a revised [Event Permit](#) with the new contact, credit card information, numbers of bagged stalls, and signature it would be helpful.

I believe Shawni told the City Clerk she would forward the list of vendors after Winterfest so we don't have that list either. So please forward the list with the revised permit.

Thank you,  
Nan

Hi Nan,

We would like to reserve a few parking stalls for the bands and a staff member if we can. Does this affect the Public Assembly Permit category though? The criteria states "no parking closures".

I can take a drive over to the lot tomorrow (Friday 2/28) to get the stall numbers for the application.

And speaking of the permit application, is there a process to update it since it contains outdated information since Shawni's departure? I also noticed she didn't sign the application. Just want to be sure the application is completed properly.

Last question... regarding #18, was a proposed list of vendors submitted with this application? I can't find any in the file here and want to make sure we do supply that to the City in a timely manner.

Thank you!

Please let me know if the city will need to save (bag) any parking stalls?

**Subject:** RE: Following up: Concerts in the Park - Parking Stalls Needed?

Hi Nan,

We would like to reserve a few parking stalls for the bands and a staff member if we can. Does this affect the Public Assembly Permit category though? The criteria states "no parking closures".

I can take a drive over to the lot tomorrow (Friday 2/28) to get the stall numbers for the application.

And speaking of the permit application, is there a process to update it since it contains outdated information since Shawni's departure? I also noticed she didn't sign the application. Just want to be sure the application is completed properly.

Last question... regarding #18, was a proposed list of vendors submitted with this application? I can't find any in the file here and want to make sure we do supply that to the City in a timely manner.

Thank you!  
Deanna

Good morning Deanna,

Do you know if you will need/want any parking stalls to be used or blocked during the VLG Concerts in the Park? Event Permit Question asked: Will any parking stalls be used or blocked during the event(s)?...both "yes" and "no" options were selected.

Please let me know if the city will need to save (bag) any parking stalls?

# City of Lake Geneva Policy Regarding Issuance of Regular and Reserve Intoxicating Liquor Licenses

---

## Purpose

The City of Lake Geneva has created this policy to establish criteria and set guidelines to aid the Finance, License and Regulation Committee along with the Common Council in the selection and issuance of a "Class B" Intoxicating Liquor License and a Reserve "Class B" Intoxicating Liquor License. These licenses (typically referred to as "bar/tavern licenses") give a business the ability to serve intoxicating liquor, fermented malt beverages, and wine for on-premises consumption.

## Background

The City of Lake Geneva, like most all municipalities in the State of Wisconsin, was required to establish a quota of "Class B" Intoxicating Liquor as of December 1, 1997. Once the number of Regular Intoxicating Liquor licenses was established, it was also determined that the City could accrue more Reserve Intoxicating Liquor Licenses, with a population increase of 500 people, per the Wisconsin Department of Administration's population estimate every year. The City of Lake Geneva is an anomaly, versus other municipalities, due to its high level of tourism and lack of special legislation in relation to the number and issuance of liquor licenses within the municipality. Due to the limited nature of the "Class B" Intoxicating Liquor Licenses and Reserve "Class B" Intoxicating Liquor Licenses with the City, it is imperative that a set of guidelines and criteria be established to make the selection of a license applicant fair and transparent.

## Procedure

A waiting list will not be created or maintained by the City of Lake Geneva; all license applications will be considered on a case by case basis as they are received.

## Fees

The fees for the "Class B" Intoxicating Liquor Licenses are as follows:

- Regular "Class B" Intoxicating Liquor License & Class "B" Fermented Malt Beverage License: \$600
- Reserve "Class B" Intoxicating Liquor License & Class "B" Fermented Malt Beverage License: \$600
- Reserve "Class B" Intoxicating Liquor License One-Time Filing Fee: \$10,000
- Publication fee (required of all license applicants) \$25

No fees shall be required until the reviewing committees have made and approved an applicant to receive the license. Once an applicant is chosen and approved by the reviewing committee, the applicant will need to pay all license fees before it can be issued by the City Clerk's Office.

## Criteria

Applicants filing for a Regular or Reserve "Class B" Intoxicating Liquor License will be evaluated based on criteria as outlined below. Each criteria option will have a point evaluation associated with it. The total score of all points scored must equal or exceed 30 points to qualify the applicant for a license. The reviewing committee will confirm that the application score equaled or exceeded 30 points and award the applicant a Regular or Reserve "Class B" Intoxicating Liquor License provided all other obligations are met. If the reviewing committee determines that the score is less than 30 points, then it will deny the application. If there are two or more applications, the application with the highest score equal to or higher than 30 points shall be awarded the license. In the event that two applicants tie in the evaluation process, it will be the sole discretion of the committee to determine which applicant shall receive the

license. Applicants will only be allowed to make an application for a Regular or Reserve "Class B" Intoxicating Liquor License one time during a calendar year. Appeals for a denial by the Finance, Licensing, and Regulation Committee will not be considered within a 365-day period of the original application date.

\*Please Note: This policy shall only apply to the licenses with a state imposed quota: "Class B" Intoxicating Liquor Licenses and Reserve "Class B" Intoxicating Liquor Licenses with the City. All other liquor licenses issued by the City do not have a quota.\*

#### Conclusion/Determination

In the event of a tied application score between multiple applicants, it will be the committee's discretion to discuss the various applicants and determine which applicant will be granted the license, while closely following the guidelines as aforementioned. All licenses are subject to the approval of the Common Council, and no license will be issued to any applicant with outstanding city claims (i.e. personal property tax, utilities, license fees, etc)

Additionally the City of Lake Geneva Police Department shall complete a background check on the applicant. This background check will be included as part of the reviewing committee's determination.

# KNOWLEDGE IS THE KEY

Owners thinking of renting out a room, home, second home, investment property, cabin or basically any structure for overnight stays to the general public for a fee may not be aware of what they must do, by law, or what they may want to do to protect themselves, their property, and the guests paying to stay there. Each state is different in how such rentals are regulated, which makes it confusing for owners just wanting to start selling overnight stays at their property.

This guide offers the basics of what an owner needs to know before starting to rent out their property to the public, and the summaries are provided by a collaboration of experts in each facet of the rental operation, to ensure you know and can comply with various laws, and that you can take appropriate steps to avoid surprises for you or your guests that can have measurable safety or financial consequences. Each component provides references to further, more in depth information for you to explore. It is not intended as a comprehensive guide listing every consideration that may arise, but provides the highlights and entry level basics.

Every owner should review this guide when considering renting out their property for overnight stays, as knowledge is the key to protecting your investments.

## COMPLYING WITH MUNICIPAL LAWS

So, you have decided to become a short term rental landlord. All you need to do now is clean up the place, advertise and wait for the rental requests to roll in right?

Wrong.

Before you start to do any of those things, you must first make sure your short-term rental idea is legal in your community and what you need to do to keep it legal. This requires getting some answers to some critical questions:

- Do you have the right zoning for short-term rental?
- Does your community have a room tax ordinance?
- Are there different building code requirements for a property engaged in commercial activity in your community?

These are just a few questions that must be asked and answered before you start renting. In some smaller communities, one person at the village or city hall, might be able answer all of the relevant questions. In others, you may have to talk to several different officials. However, in most communities whether large or small, the best place to start is with your city or village clerk. If you live in an unincorporated area, you should check with your county land use department.

# LICENSING FOR PUBLIC LODGING

---

The Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) requires all lodging facilities in Wisconsin to hold a current license.

## What counts as a lodging facility?

DATCP has several definitions for types of lodging facilities. They include:

- Hotel - A hotel is defined as "a place where sleeping accommodations are offered for pay to transients, in 5 or more rooms, and all related rooms, buildings and areas."
- Motel - Means the same as a Hotel except that guest parking is provided on premise as part of the room charge.
- Tourist Rooming House (TRH) - A TRH is defined as "all lodging places and tourist cabins and cottages, other than hotels and motels, in which sleeping accommodations are offered for pay to tourists or transients."
- Bed and Breakfast (B&B) – A B&B is defined as "any place of lodging that provides 8 or fewer rooms for rent to no more than a total of 20 tourists or other transients for more than 10 nights in a 12 month period, is the owner's personal residence, is occupied by the owner at time of rental, and in which the only meal served to guests is breakfast."

These definitions mention tourists or transients. DATCP has defined a tourist or transient as "a person who travels to a location away from his or her permanent address for a short period of time for vacation, pleasure, recreation, culture, business or employment." Notice that in the definition for tourists or transients a person has to be away from his or her permanent address in order to meet the definition. It does not matter if the tourist or transient is there for the season, the month, a week, a day or less. If it is rented to a tourist or transient, it will require a license.

Lodging facilities come in many forms. Common examples of lodging facilities requiring a DATCP license include: hotels, motels, B&B's, row houses, cabins, cottages, lodges, homes, condos or rental rooms located above a business.

## Where do I begin?

Begin the process by contacting a DATCP licensing specialist. They will walk you through the process and help you determine the best license for your lodging operation. They can provide you with an information packet that will guide you through the licensing process. You can contact them by sending an e-mail to [datcpdfslicensing@wisconsin.gov](mailto:datcpdfslicensing@wisconsin.gov) or by calling 608/224-4923. After you submit a license application, a Sanitarian will be assigned to your business. The Sanitarian is the inspector responsible for approving your lodging license. They assure that the lodging operation meets health and safety requirements.

Once you know who your Sanitarian is, arrange a time to meet with the Sanitarian at your facility. This arranged meeting is called a Pre-Licensing Inspection. During this inspection your Sanitarian will share with you the applicable code requirements that your structure must meet.

Depending on the type of structure, some of the common items of public health concern may include:

Proper building exits/escapes	Directions of escape	Facility cleanliness
Door locks	Proper linen and towel handling	Size of sleeping rooms
Proper disposal of garbage/solid waste	Proper wastewater disposal (black and gray water)	A recent water test report for private wells (bacteriologically safe)
Fire extinguisher number and placement, fire alarm systems	Smoke/carbon monoxide detector number and placement	Ventilation and combustion air for fuel fired appliances like furnaces, boilers, fireplaces, water heaters & dryers

## COLLECTING & REMITTING STATE, COUNTY AND LOCAL TAXES

The Wisconsin Department of Revenue has issued public guidance on its website clarifying that the imposition of state sales tax and local room tax on the rental of overnight lodging applies, with the exception of annual sales of less than \$1,000: <https://www.revenue.wi.gov/taxpro/news/2016/160125.html>

It specifically states "Homeowners or other individuals who make rooms or lodging available to the public for periods less than one month, must report and pay Wisconsin sales tax on such rentals. This includes the short-term rental of a home, room, apartment, cabin, inn, motel, or any other building in which accommodations are made available to the public."

Wisconsin Statute 66.0615 provides the authority and requirements for a *municipal room tax*. If a Wisconsin municipality has imposed a local room tax, it is imposed "on the privilege of **furnishing, at retail**, except sales for resale, **rooms or lodging to transients** by hotelkeepers, motel operators and other persons furnishing accommodations that are available to the public." View the complete statute here: <https://docs.legis.wisconsin.gov/statutes/statutes/66/VI/0615>

### Federal Income Tax from Renting Residential & Vacation Property

The Internal Revenue Service (IRS) has issued a summary page relating to Renting Residential and Vacation Property where they address the treatment of Rental Income. For their complete statement and their links to further, more extensive guides, such as IRS Publication 527 Residential Rental Property (Including Rental of Vacation Homes), go to <https://www.irs.gov/taxtopics/tc415.html>.

## PROPERTY RISKS, LIABILITY & OBTAINING INSURANCE COVERAGE

If you are considering renting out your home, your guest room or even your couch your first step should be to **contact your insurance professional**. Online platforms for renting your property to the public for overnight stays, such as Airbnb, can be a great way to bring in extra money and are increasingly popular; however, they can also leave you financially vulnerable. If your renter starts a fire and damages your property or is hurt while renting your home, will you be protected?

Before embarking on a home or property rental financial arrangement, call your insurance professional and get their advice. In general, if you are only planning to rent your home out for a single occasion, many insurance companies will extend your coverage to the renter. **The one caveat is that the insurer must be notified ahead of time.**

It is not unusual for someone to rent out their home or part of it for a major event when there may not be enough hotel space available in the area. Many insurance companies take this situation into account when creating a homeowners or renters policy; other insurance companies may require the purchase of an endorsement to the policy to provide broader coverage for the renters in your home.

**If you plan to rent out all or part of your home on a regular basis, many companies will consider this a business use.** Standard homeowners and renters insurance policies are designed for personal risks, not commercial risks. In this case you will need to purchase a business policy—specifically either a hotel or a bed & breakfast policy. Some companies offer a home-sharing liability insurance policy that can be purchased on a month-to-month basis, but there may be exclusions and limitations, so read the policy carefully.

**Date:** May 13, 2020  
**Re:** Capital Projects and Equipment Replacement Funds Status

---

At the May 5<sup>th</sup>, 2020, FLR Committee meeting, we were given direction to obtain the status of all capital projects and equipment replacement fund projects.

Attached is a copy of the budget for each of these funds. The status of each project was coded by each department head as follows:

- “C” – Project is completed; no further costs
- “P” – Project is pending or already in progress
- “N” – Project has not been started
- “D” – Project has been delayed until later in the year or possibly next year

**PROJECTS BY DEPARTMENT - CAPITAL PROJECTS (FUND 43)**  
**FUNDED BY CAPITAL BORROWING AND FUND BALANCE RESERVES**

Department	2020	Status	Notes
<b>Library</b>			
Carpet replacement	100,000	D	The library carpeting is currently in fair to poor condition. There is some delimitation happening causing ripples which will eventually become trip hazards, along with fraying in areas. However, we do not anticipate significant additional deterioration over the next 8-10 months, so this project can be delayed until 2021 - but it will then become urgent for safety and sanitary reasons.
Lobby doors reconstruction	15,000	D	The lobby doors are original to the building and they are wood, so they are well past the approximate 60 year life expectancy for wood doors. We have warping and rotting issues that make access for some patrons challenging in certain weather conditions, but feel we can temporarily patch these until 2021, when they should be replaced for public access to the building.
