Mr. David Nord
City Administrator
City of Lake Geneva
626 Geneva Street
Lake Geneva, WI 53147

Dear Mr. Nord,

This letter is our formal request of the Lake Geneva City Council to have the Winterfest banner fees waived for the 25th Winterfest and U.S. National Snow Sculpting Championship, a popular winter tradition that is free for Lake Geneva residents and the general public.

We are requesting the 2020 Winterfest banners be displayed from January 1st – February 2nd, 2020 or as earlier if the Santa Cruise Banners are taken down. The 2020 Winterfest banners will have a seasonal winter theme to highlight the festivities and brand Lake Geneva as a winter destination to stay, play, shop, and dine.

As in past years, this event would not be possible without the support of the City of Lake Geneva. We are grateful for your continued support and will brand the Winterfest banners with City of Lake Geneva logo to provide a greater return on your investment into this legacy event. We are respectfully requesting that the permit fees for the 25th Winterfest and U.S. National Snow Sculpting Competition banners be waived.

Sincerely,

A handwritten signature in cursive script that reads "Shawni Mutter".

Compliance & Ethics Online Grocery Pickup Procedure Guide

Placing Order

- Customers visit grocery.walmart.com and can view an assortment of products – determined by their store
 - Listed products are initially based on the Customer's location and updated when the Customer selects their preferred store
- Prior to checking out, the Customer must login (or create) their account, select a desired pickup store, and designate a time slot for picking up their order
- Once the customer has built their basket and presses checkout, Customer completes the order by supplying Walmart with payment information
- Walmart authorizes and holds the card information, but funds are not transferred from the card

- Where allowed by state and local law, customers can include alcoholic beverage product in their online grocery order through walmart.com/grocery.
- All alcoholic beverage product item pages are flagged with a notification explaining the restrictions around purchasing this product (pictured below).

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.

The sale of alcohol to minors is prohibited.

At delivery or pickup, you must show a valid photo ID and provide a signature confirming that you are age 21 or over. Accepted forms of ID are: Driver's Licenses, State-issued Identification Cards, U. S. Online Grocery Pickup Procedure Guide

Picking / Staging

- On the day a customer is scheduled to pick up an order, a Walmart associate – known as a “Personal Shopper” – will “shop” for the customer’s order in the store
- All shopping is completed on the pickup day to ensure the Customer receives the freshest products
- If a product is not available in-store, it is either substituted or removed from the customer’s order
 - Alcohol beverage products are never substituted – if they are not available in-store, they are removed from the customer’s order and the customer is not charged

- Alcohol beverage products are assigned to a “Restricted” commodity group to ensure only Personal Shoppers who have received appropriate training and are of a legal age – per the governing jurisdiction – will be allowed to pick these products
 - **In Wisconsin**, Personal Shoppers must hold an operator/bartender license issued by their local municipality
- The picking carts – used by our Personal Shoppers “shop” for Customers – are equipped with a roll of stickers labeled with the word “alcohol”
 - Orders containing alcohol beverage products are bagged and labeled with an alcohol sticker (pictured right)
 - This sticker enables our Personal Shoppers to clearly identify items that are subject to additional regulatory restrictions
- All picked orders are kept in a secure backroom staging area, not open to the public, and only where Walmart employees are permitted to enter

Online Grocery Pickup Procedure Guide

Customer Pickup: Order Review

- Online Grocery Pickup is currently offered between 8am – 8pm (*to better serve our customers, select locations offer additional time slots*), 7 days a week (*except holidays or other store closures*)
- When the customer arrives, they “check-in” via the store’s offered methods (phone, app-based, kiosk, *options vary by location*)
- The Personal Shopper assigned to dispense the order uses the handheld device to identify the order number and pull the appropriate totes from the staging areas
- Prior to putting the customer’s order in their vehicle, the Personal Shopper uses their handheld device to review the order with the customer – reviewing substituted items, fragile items, out of stock items, and completing age verification (*as needed, based on products in the order*)
- This review allows the Customer to ensure they are getting what they want and provides the Customer an opportunity to return or reject any item(s)
- **Only Personal Shoppers meeting the age requirements within the governing jurisdiction are allowed to handle and/or dispense orders with alcohol beverage products**
- **If a Customer’s order includes alcohol beverage product, the personal shopper is prompted by their handheld device that there are restricted items in their order**
- **If alcohol is not allowed to be sold at the time of dispense, the associate is notified (*via their handheld device*) that sale of the product is currently restricted, the items are automatically removed from the customer’s digital basket (*the customer will not be charged*), and the personal shopper will remove the physical product from the order (*pictured right*)**
- **The personal shopper will request valid identification – as described in our alcohol disclosure – and enter the customer’s date of birth from the provided identification into their handheld device (*pictured below*)**

Compliance & Ethics

Online Grocery Pickup Procedure Guide

- After age verification:

- If the customer is confirmed over 21, the customer can sign for the order, and the personal shopper can place the final order into the customer's vehicle
- If the customer is under 21 and/or cannot provide a valid ID, the alcohol beverage products are removed from the customer's order and the customer is not charged for these products.
(pictured right)

Customer Pickup: Dispensing

- Once the customer and personal shopper have:
 - Reviewed any substituted items, fragile items, and out of stock items
 - Removed any rejected products that the customer no longer wants
 - Verified the customer's age and identification if the order contained any age restricted items (and if necessary, removed age restricted items)
- The customer signs for the order, the customer's account is charged with the final order amount (after removing the cost of any products removed from the customer's order)
- The personal shopper places the all approved products into the customer's vehicle, and the transaction is considered complete

City of Lake Geneva Policy Regarding Issuance of Regular and Reserve Intoxicating Liquor Licenses

Purpose

The City of Lake Geneva has created this policy to establish criteria and set guidelines to aid the Finance, License and Regulation Committee along with the Common Council in the selection and issuance of a "Class B" Intoxicating Liquor License and a Reserve "Class B" Intoxicating Liquor License. These licenses (typically referred to as "bar/tavern licenses") give a business the ability to serve intoxicating liquor, fermented malt beverages, and wine for on-premises consumption.

Background

The City of Lake Geneva, like most all municipalities in the State of Wisconsin, was required to establish a quota of "Class B" Intoxicating Liquor as of December 1, 1997. Once the number of Regular Intoxicating Liquor licenses was established, it was also determined that the City could accrue more Reserve Intoxicating Liquor Licenses, with a population increase of 500 people, per the Wisconsin Department of Administration's population estimate every year. The City of Lake Geneva is an anomaly, versus other municipalities, due to its high level of tourism and lack of special legislation in relation to the number and issuance of liquor licenses within the municipality. Due to the limited nature of the "Class B" Intoxicating Liquor Licenses and Reserve "Class B" Intoxicating Liquor Licenses with the City, it is imperative that a set of guidelines and criteria be established to make the selection of a license applicant fair and transparent.

Fees

The fees for the "Class B" Intoxicating Liquor Licenses are as follows:

- Regular "Class B" Intoxicating Liquor License & Class "B" Fermented Malt Beverage License: \$600
- Reserve "Class B" Intoxicating Liquor License & Class "B" Fermented Malt Beverage License: \$600
- Reserve "Class B" Intoxicating Liquor License One-Time Filing Fee: \$10,000
- Publication fee (required of all license applicants) \$25

No fees shall be required until the reviewing committees have made and approved an applicant to receive the license. Once an applicant is chosen and approved by the reviewing committee, the applicant will need to pay all license fees before it can be issued by the City Clerk's Office.

Criteria

Applicants filing for a Regular or Reserve "Class B" Intoxicating Liquor License will be evaluated based on criteria as outlined below. Each criteria option will have a point evaluation associated with it. The total score of all points scored must equal or exceed 30 points to qualify the applicant for a license. The reviewing committee will confirm that the application score equaled or exceeded 30 points and award the applicant a Regular or Reserve "Class B" Intoxicating Liquor License provided all other obligations are met. If the reviewing committee determines that the score is less than 30 points, then it will deny the application. If there are two or more applications, the application with the highest score equal to or higher than 30 points shall be awarded the license. In the event that two applicants tie in the evaluation process, it will be the sole discretion of the committee to determine which applicant shall receive the license.

What is the size of the building where the license will be used?

- 1,000 sq to 2,500 square feet _____ (4 points)
- 2,501 sq to 5,000 square feet _____ (3 points)
- 5,001 sq to 10,000 square feet _____ (2 points)
- 10,000+ square feet _____ (1 point)

What will be the patron seating capacity of the business?

- 30-50 seating capacity _____ (4 points)
- 51-100 seating capacity _____ (3 points)
- 101-200 seating capacity _____ (2 points)
- 201-300 seating capacity _____ (1 point)
- 300+ is 0 points because it automatically qualifies for a Class B Combo License

What is the proximity of other licensed establishments to the applicant's? (Entrance to Entrance) Select most accurate option.

- >30 feet _____ (2 points)
- <30 feet _____ (1 point)

Will your business provide parking for your patrons, or will patrons need to utilize City metered parking?

- _____ Own Parking (2 points) OR _____ City Owned parking (1 point)

Demographics

Will the applicant be purchasing or does currently own this property?

- _____ Yes (3 points) OR _____ No (1 point)

How many people will the applicant employ?

- 5-10 employees _____ (2 points)
- 11-30 employees _____ (3 points)
- 31-40 employees _____ (4 points)
- 40+ employees _____ (5 points)

Where does the owner of the business live?

- City of Lake Geneva _____ (5 points) Outside the City of Lake Geneva but in Walworth County _____ (3 points)

Total

Total number of points applicant scored _____

Scoring Guidelines

The applicant must score 30 or more points to qualify for a Regular or Reserve "Class B" Intoxicating Liquor License.

Conclusion/Determination

In the event of a tied application score between multiple applicants, it will be the committee's discretion to discuss the various applicants and determine which applicant will be granted the license, while closely following the guidelines as aforementioned. All licenses are subject to the approval of the Common Council, and no license will be issued to any applicant with outstanding city claims (i.e. personal property tax, utilities, license fees, etc)

Additionally the City of Lake Geneva Police Department shall complete a background check on the applicant. This background check will be included as part of the reviewing committee's determination.
