Pollard motioned to approve the bills for the month of August 2016. Bittner seconded. Motioned carried 4-0.

Chief Rasmussen noted that the department was over budget on overtime but that will be offset by \$10,000 in restitution the department will be receiving. Data Processing is also a little high but overall the department is under budget.

b. On duty officer injuries update

The status of the officer with the foot injury is still unknown. Another officer injured his hand while moving barricades. That officer's return to full duty is unknown until the next doctor visit. Both officers are on light duty at this time.

c. Off duty officer injury (info only)

The officer who sustained an off duty work injury returned to work on August 28, 2016.

d. Police Academy Request- Carley Fettig

Chief Rasmussen stated that three sergeants applied for the Patrol Lieutenant position. Two of the applicants meet all of the qualifications including a Bachelor's Degree. Sergeant Derrick is requesting waiver of the Bachelor's Degree qualification. Sergeant Derrick presented his qualifications for Patrol Lieutenant and advised that he is currently enrolled in classes at George Williams University to complete his bachelor's degree in Applied Psychology.

f. Patrol Lieutenant Promotional Process Schedule

Chief Rasmussen would like to have the promotion process completed by November 14, 2016 so there is time to train with Assistant Chief Reuss. Assistant Chief Reuss will retire March 3, 2017. Police and Fire Commission interviews for Patrol Lieutenant were scheduled for October 19, 2016 at 6:00 p.m.

g. Chief and Command Staff Appraisals – Status

Hartz presented a draft appraisal/evaluation form for review. Hartz noted that some of the evaluation questions were not worded to specifically fit the police department as it is a paramilitary organization. He also was not sure if the industry standards were appropriate for the population within the city at different periods of time. Gramm felt the evaluation was all subjective and not substantive. Bittner suggested that the individual being evaluated also give a measure of his own performance. Pollard felt that written comments of evaluation were more powerful than simply using a chart. Administrator Oborn noted that the city implemented a compensation policy along with evaluations and he would like the commission members to use that form. He will forward the information to Administrative Assistant Papenfus to distribute to commission members. If any commission members have suggestions, they will also forward them to Administrative Assistant Papenfus. Evaluation will be discussed at the next meeting.

h. Chaplain Program

Sergeant Derrick presented information to introduce a Chaplain program within the department. It is a support structure for officers and their families. Lexipol provided a policy and some chaplains have already volunteered their services to assist. Gramm had questions regarding requirements to be considered a “chaplain.” Gramm and Bittner both questioned using the word “chaplain” or using some other wording regarding the policy. Tom Walton, Town of Geneva Liaison, felt it was a great idea and volunteered to help with the program and perhaps combine the program with the Town of Geneva Police Department as well.

i. 2017 Budget update

Pollard motioned to approve the 2017 operational budget in the amount of \$2,742,120.00. Bittner seconded. Roll call: Bittner–Y, Gramm–Y, Pollard–Y, Hartz–Y. Motion carried 4-0. Lieutenant Gritzner noted the changes made to the budget after the budget workshop. The 2017 budget decreased \$6,991.55 compared to 2016. Bittner noted that he reviewed Elkhorn and Delavan/Darien budgets and compared relative costs. He noted that Lake Geneva’s budget is lower even though we have more officers, more businesses and more traffic. Alderman Howell stated that the budget looked reasonable.

Pollard motioned to approve the capital improvement budget as presented in the amount of \$106,323.68. Hartz seconded. Roll call: Bittner – Y, Gramm – N, Pollard – Y, Hartz – Y. Motion carried 3-1.

Lieutenant Gritzner categorized capital improvements as critical and noncritical per request of the Commission. Lieutenant Gritzner requested capital funds for Squad 204, computers, radio console upgrade and interview room upgrade. Gramm wondered if Department furniture, taser equipment, duty firearm replacement and digital cameras could be replaced under equipment replacement fund and Chief Rasmussen felt that may be possible. City Administrator Oborn indicated that the TIF is closing so there may be more funds available for equipment replacement. Gramm was not convinced that a second ALPR unit was necessary. Pollard disagreed and liked the idea of a second ALPR unit.

e. Loss Control Services Meeting

Chief Peters met with Legal Municipalities regarding workers compensation policies and procedures and work practices. The highest rate of injuries comes from loading cots. Some insurance companies pay for replacement of costs or offer grants to assist in cutting down on Worker's Compensation claims. Chief Peters is waiting to hear from the insurance company to see if this is possible.

f. Donations - Suzanne Gerber

Janice Chambers

Bittner motioned to accept donations to the Fire Department. Gramm seconded. Roll call:

Bittner–Y, Gramm–Y, Pollard–Y, Hartz–Y. Motion carried 4-0.

Chief Peters would like to reallocate the \$10,000 that is left in the Firehouse Flashing/Tuckpoint account to make repairs for gutters at the firehouse and repairs to a shed. There will be a bid process for these repairs.

n. Three month review of Interim Chief Peters

The commission discussed appointing Interim Chief Peters as the Fire Chief. Hartz felt initially that a full time fire chief was needed but now he feels that a part time chief will be able to accomplish the needs of the Lake Geneva Fire Department. Members of the fire department staff also agree. Hartz is confident that Chief Peters has made the necessary changes to improve morale and to complete fundamental processes to make the department run more smoothly. Pollard agreed. Bittner agreed as well but felt that the issue should be discussed in closed session initially and then the final recommendation be made in open session. Decision was tabled until next month.

## **Firefighter's Prayer**

---

When I am called to duty, God  
whenever flames may rage,  
give me the strength to save some life  
Whatever be its age.

Help me to embrace a little child  
before it's too late,  
or some older person  
from the horror of that fate.

Enable me to be alert  
and hear the weakest shout,  
and quickly and efficiently  
to put the fire out.

I want to fill my calling  
and give the best in me,  
to guard my neighbor  
and protect his property.

and if according to my fate  
I am to lose my life,  
Please bless with your protecting hand  
my family in their strife.

This month the Lake Geneva Fire Department would like to shine a spotlight on FF/EMT Pat Carroll.

Pat started his fire service career with the Lyons Township Fire Department in 1979. Pat served for 5 years before moving to Lake Geneva and joining the Lake Geneva Fire Department in 1984. Not only did Pat join the department in 1984 but he also married his wife, Cathy, that same year.

Pat has been a valued member of the Lake Geneva Fire Department for 32 years. Throughout his career with the department he has earned his EMT Intermediate, High Angle Rescue Technician and Confined Space Technician certificates.

When Pat is not running calls or working shift for the Lake Geneva Fire Department he works at Great Lakes Naval Base, where he has been employed since 1992. Before Pat started working at Great Lakes Naval Base, he was a member of the Carpenters Union where he was a millwright. Millwrights are responsible for the setting and installation of machinery, according to Pat. Pat has helped with the installation of machinery at the Power Plant in Pleasant Prairie, Janesville General Motors Plant, the AMC plant in Kenosha and many other places.

On behalf of the Citizens of Lake Geneva, the residents of the Town of Lyons, and the Lake Geneva Fire Department, we would like to send a Thank You to Pat for his 37 years of combined service. Your dedication to the department and your willingness to serve has been greatly appreciated.
