

Fire Department Report

March 2020

Proudly Serving Since 1880

Personnel Spotlight

Firefighter/AEMT Jason Fischer began his service with the Lake Geneva Fire Department in 2006. He obtained his Firefighter 1, Advanced EMT and was a member of the Dive Team. In 2016, Jason briefly relocated to Minnesota, but Lake Geneva was home and he returned in 2019.

Since returning, Jason has rejoined the fire department and has pursued a new career path, property management.

In his spare time, Jason enjoys spending time with his wife and children.

Jason, on behalf of the citizens of Lake Geneva and the members of the department, we thank you for the past 11 years of service and we look forward to many more.

Personnel Introductions

Please join us in welcoming Firefighter/Paramedic Jessica Freibergs. Jessica comes to us with her Firefighter 1 & 2, Fire Inspector, and Apparatus Engineer.

In addition to serving with the Lake Geneva Fire Department Jessica is a member of the Tess Corners Fire Department, and works for a private ambulance in the City of Milwaukee.

Jessica resides in Waukesha County with her husband and children. They like spending time outdoors and participating in church activities.

Community & Department Events

- Did you remember to change your smoke detector batteries during day light savings time on March 8th?

- On March 9th, our training topic was forcible entry. Instructed by Chief Peters, members were refreshed on new and old techniques.

- The doors are down and all is quiet. However, we stand ready! On Wednesday, March 25th, the Lake Geneva Fire Department joined departments from all over the country, opening our bay doors and turning on all of the truck lights as a sign of strength and hope. This event carried a strong message to all who serve daily in EMS, Fire and Law enforcement; we stand ready at a moment's notice. We pray for strength...to those working around the clock to provide care; to those who strive to find the right medicine to help; to those working in the food/grocery industry working around the clock to feed us; and to those who drive many miles on the road hauling essentials daily to keep us going.

- The doors may be down, yet we continue our daily duties, including training. FF/PM Pillman, Lt Baumann, FF/AEMT Petkoff, and Paramedic Candidate Neumueller took a moment out of their “truck work” training to pose for this picture.

Notable Calls for Service

- On March 1st, the department was dispatched to Walgreens for the report of a vehicle fire. The first arriving engine reported a small fire in a vehicle. Damage was limited to the engine firewall.

- On March 1st, the department assisted the Fontana Fire Department with the rescue of stranded fisherman on an ice flow.

- On March 1st, the department responded with the Bloomfield-Genoa City Fire Department for the report of a fisherman through the ice on Townline Rd.

The first arriving ambulance crew assisted law enforcement with affecting a surface ice rescue.
